Optimistic On Improved Relations

LBJ Holds Hope Soviet Plays Role To End War

WASHINGTON (AP) — President Johnson is holding open the possibility that the Soviet Union may play an active role in ending the war in Viet Nam.

At a news conference Thursday he spoke optimistically about improved relations with the U.S.S.R. generally and, significantly, appeared to include the Soviet Union among nations seeking peace.

All the while Johnson emphasized that the United States will not withdraw from the conflict — or even pause militarily — unless “the enemy” does the same.

And he did not forget the political wars at home, salting the 40-minute session in the White House East Room with criticism of Republicans.

“There are only two governments in the world that now appear opposed to ending the war and achieving the peace,” Johnson said. He did not name the two, but evidently he referred to Communist China and North Viet Nam.

The Soviet Union repeatedly has turned down appeals that it

join Britain in reconvening the 1954 Geneva conference, but the hope persists in some diplomatic quarters that Moscow yet will take steps to try to bring about a negotiated settlement of the war.

Last Monday, Johnson conferred for two hours with Soviet Foreign Minister Andrei A. Gromyko. Thursday, the President called the session fruitful and said he believes “it will be productive.”

The President said he had told Gromyko the United States “would welcome a visit by the leadership of his country to this country, that we welcomed his people coming here in the exchange programs, and we wanted to know them better.”

The President jumped into the nationally televised and broadcast conference less than an hour after his return from a political whirl into New York and Delaware — and without lunch, he pointed out. His mood was confident, relaxed, even ebullient.

But he spoke firmly and seriously about his intentions to

keep the United States in the war in Viet Nam until “the aggressor” yields.

Ruling out a unilateral pause in U.S. bombing of North Viet Nam, Johnson said this had been tried twice with these results:

“Our boys sat there and watched the enemy. He didn’t pause. He kept up his bombing. He threw his hand grenades. He lobbed his mortars into our troop encampments and killed our Marines, our airmen, our Army soldiers.”

Said Johnson: “If the aggressor will pause, we will pause immediately. If they will withdraw, we will withdraw immediately.”

“We will lay a schedule on the table tomorrow — a schedule to move out of South Viet Nam, to come home, to leave no troops in that area, to give up our bases — provided they will lay on the table their schedule for withdrawal, their schedule to get their people to quit the killing and the murdering that is going on.”

Scientist Reports Breakthrough

Cancer-Causing Element From Smoking Isolated

AUSTIN, Tex. (AP) — A Texas scientist has isolated a major cancer-causing element in cigarette smoke, a member of the U.S. Surgeon General’s Advisory Committee says.

Dr. Charles A. LeMaistre, University of Texas vice chancellor for health affairs, told an organizational meeting for the Texas Interagency Council on Smoking and Health Thursday that “once an element is isolated, there is no problem eliminating it.”

LeMaistre spoke guardedly about “this breakthrough,” and after learning that newsmen were present at the meeting tried to play it down.

He declined to elaborate because he said he would be “betraying the confidence of the investigator.” He said the discovery would be published in a scientific publication “in about 10 days,” later postponing this deadline “perhaps as long as six months.”

LeMaistre praised the “sophisticated research” being done by the Baylor Medical School and the University of

Texas medical system, but he did not indicate whether either school is involved in the breakthrough.

The only reason he brought the matter up, he said, was to warn those at the meeting not to get too excited when the discovery is published. There still are serious illnesses such as emphysema and chronic bronchitis that are caused by cigarette smoking, he said.

The surgeon general’s report on Jan. 11, 1964, linked cigarette smoking and lung cancer. LeMaistre said the report was based on committee findings and those findings have survived “13,000 subsequent scientific investigations.” Tobacco industry spokesmen say there has been no scientific proof that smoking causes cancer.

Fast Rescue Work Saves 4 Of 5 In Crash

WHEELING, W. Va. (AP) —

Fast rescue work by airport employees is credited with saving the lives of four of five Ohioans aboard a private twin-engine plane which crashed and burst into flames Thursday evening.

The only death in the crash on a wooded hillside was Carl Walters, 75, of St. Clairsville, Ohio, father-in-law of the plane’s pilot, wealthy St. Clairsville industrialist, Frank Balcar, 51.

Authorities said speedy recovery work by five crash witnesses, including two or three unidentified employees of Flight Inc. located at the Wheeling-Ohio County Airport, probably saved the lives of Balcar and the other passengers injured inside the flaming wreckage.

Taken to local hospitals were, in addition to Balcar, his 50-year-old wife, Lenora, Walter’s 74-year-old wife, and Balcar’s aunt, Gertrude Leary, 86, of Wapakoneta, Ohio. They were listed in fair condition.

GLs In Viet Top Korean War Total

328,000 Reported, 1,000 More Than In Korea In 1953

WASHINGTON (AP) — The United States now has more men in Viet Nam than were stationed in Korea during the peak of that war, and officials leave little doubt that the commitment will go higher.

U.S. manpower in South Viet Nam hit 328,000 this week, 1,000 more than the number of American troops deployed within Korea in June 1953.

This milestone in the South-east Asian struggle virtually passed unnoticed until the Pentagon’s statistical branch, in response to questions, provided figures showing the Korean in-country strength was 327,000 at its height.

The over-all U.S. force involved in the Viet Nam war, including out-of-country support elements, still is about 60,000 shy of the peak over-all Korean commitment of 472,800.

The surpassing of the Korean in-country mark came as Secretary of Defense Robert S. McNamara was touring Viet Nam.

Ending his eighth visit there, the Pentagon chief told newsmen in Saigon the military effort was going “very satisfactorily” and he foresaw no substantial change in the rate of deployment of U.S. troops to Viet Nam in coming months.

Pentagon officials took this as a sign that the U.S. input of men will continue at about the same rate as the past year — some 15,000 men a month. This would mean a year-end level of around 370,000.

In Congress Thursday Sen. John C. Stennis, D-Miss., predicted American strength would reach 500,000 by the end of next year. A continuation of the 15,000-men-a-month input for the next 12 months would put U.S. strength in Viet Nam just over the half-million mark in 1967.

Some top military officials have said they think 750,000 U.S. troops will be required to end the war.

Report Hints Soviet May Orbit Several Men

MOSCOW (AP) — Unconfirmed reports are circulating in Moscow that the Soviet Union will try soon to put several men in space in the largest manned satellite ever launched.

Some versions of the reports say the launching might come next week. Other versions say by the end of this year. There was no official information available.

In the last 15 months the Soviet Union has launched three unmanned Proton satellites each weighing about 13 tons.

Objects of this size could be used to sustain several men in space for a number of days, providing the kind of “manned orbital laboratory” which the United States has talked about launching.

Wife Throws Children To Death, Kills Self

NEW YORK (AP) — An African diplomat’s screaming wife threw their two children from an 18th floor window today and then followed them to death in a courtyard below. Police said it looked like “a bloody battlefield.”

Police identified the victims as Mrs. Olive M. Mwalilino, 24, and her children, Kotoki, a one-year-old boy, and Janet, a girl three months old.

The woman’s husband is an official of the Malawi delegation to the United Nations, police said.

Minor Miracle Of War

U.S. Convoy Scores Major Victory Over Viet Cong

The longest convoy since American troops came to Viet Nam — nearly 700 vehicles — rolled for more than 80 miles out of the rubber plantation country near the Cambodian border to Saigon today. It took two infantry divisions, one American, one South Vietnamese, to pull it off but it was a major victory over the Viet Cong. AP Correspondent Hugh Mulligan rode the length of the convoy on top of an armored personnel carrier named “Headquarters Eight.” Here is his report.

By HUGH A. MULLIGAN.

ALONG HIGHWAY 13, South Viet Nam (AP) — The little white marker along the roadside read, “Saigon: 118 kilometers.” Six months ago, it might just as well have read, “To the North Pole.” Both destinations were equally inaccessible.

But now, in one of the minor miracles of the war, a curious column of trucks — nearly 700 of them — was coughing and snorting along the rutted, shell-cratered road.

Rubber worth \$2 million was rolling into Saigon along a bit-

terly contested highway, where only last week a motor scooter driver with a load of lettuce could not have gotten to the next village without paying a \$1.50 tax to the Viet Cong, listening to a propaganda lecture and putting in at least half an hour of hard labor for the Communists.

Villagers along Highway 13, known as Thunder Road, never had seen such a sight. The convoy stretched across the rolling green jungle as far as the eye could see.

Four battalions of infantry from the Big Red One, the U.S. 1st Infantry Division, were camped in the jungle along the right-of-way, looking for trouble. Thirty helicopters waited on the Quan Loi rubber plantation airstrip to rush in another battalion if the Viet Cong decided to contest the reopening of Highway 13, the lifeline for 100,000 people living in the three provinces north of Saigon to the Cambodian border.

A battalion of Army engineers took four days to repair the blown-up bridges, remove the booby-trapped roadblocks and

fill in the huge artillery craters along the Thunder Road. At last “Operation Tulsa,” the longest road convoy of the war since the Americans came, was ready to roll.

The convoy moved in two sections. First north from Saigon to Hon Quan, in Binh Long province on the border, bringing rice, cement, roofing metal, petroleum products and medicine. Then south with 2,500 tons of rubber, all of it highly inflammable, ready to go off at the pop of a sniper’s bullet, but all of it immensely important because rubber is South Viet Nam’s main export.

Since the battle of Dong Xoai and the massacre in the Michelin Plantation last year, the three plantations of the Terre Rouge Company still operating in Binh Long province account for more than 50 per cent of South Viet Nam’s production.

But the province grows only enough rice to feed 6,000 of its 80,000 people. The trucks going north with rice meant that the plantation workers and their families — at least 40,000 people — would be paid again.

LBJ’s Cities Bill Heads For Vote In House

Senate Action Due On \$820 Million In Public Works Fund

WASHINGTON (AP) — The House heads today for a vote — expected to be close — on President Johnson’s program for massive physical and social rehabilitation of slums in selected cities.

But before reaching a final vote, the House must dispose of a variety of amendments — including one which would knock out the proposed \$900 million authorization for operating funds in the next two years and leave only \$24 million for planning.

Debate on the demonstration cities bill has been marked by charges and denials that the proposed program contains projects to hasten racial balance.

As Congress continues its push for adjournment, the Senate prepared to go into session three hours early in an attempt to dispose of three major pieces of legislation and avoid a Saturday session.

Senate Democratic leader Mike Mansfield called for action first on a House-passed bill authorizing \$820 million in new public works projects across the nation, then on a \$2.3 billion appropriation bill for the State, Commerce and Justice Departments.

Mansfield also hoped for action today on the House-passed bill suspending two major incentives to business spending — a key portion of the President’s anti-inflation program.

The incentives which Johnson wants suspended for 16 months are a seven per cent tax credit on business spending for plant and equipment and favorable depreciation provisions on construction of industrial, commercial and apartment buildings.

House members, meanwhile, were showing a strong inclination to jump the gun on Johnson’s recommendations for Social Security increases Johnson suggested that the next Congress vote higher benefits to start on Jan. 1, 1968, but members of the House Ways and Means Committee talked of making the proposed hike effective Jan. 1, 1967.

Fund Drive Reported At 52% Of Goal

The East Liverpool Area United Fund has passed the halfway mark in its campaign for \$125,000 to assist 16 district community service agencies, James McGowan, drive chairman, announced today.

A total of \$65,700 has been collected or pledged — or about 52 per cent of the goal, McGowan said.

Drive leaders will meet Oct. 24 at 7 p.m. in the YMCA when additional reports will be presented by division chairmen.

McGowan said progress is continuing in virtually all divisions.

He appealed to all business operators to determine their participation so solicitors can complete “Fair Share” arrangements on the first calls.

With some 1,500 solicitations to be made, the cooperation of the business and industrial leaders is vital for the success of the drive, McGowan emphasized.

Gunman In Pittsburgh Nabs \$20,000 Payroll

PITTSBURGH (AP) — A gunman fled with a \$20,000 payroll today from a building contractor in suburban Forest Hills, police said.

Police said the robber, posing as a worker, held up the paymaster of Cost Brothers in the company’s office building. The man was armed with a gun and a knife, police said, and “roughed up” the paymaster before binding him with a severed telephone cord and fleeing in an auto.

Officers said the gunman was dressed in overalls and wore a construction helmet. They said he walked into the office on the pretense of picking up the payroll check of a fellow worker.

Ike Celebrates 76th Birthday On His Farm

GETTYSBURG, Pa. (AP) — Former President Dwight D. Eisenhower celebrated his 76th birthday today quietly on his farm, located near the site of the historic Civil War battle.

Indications were he planned to spend part of the day, as usual, at his office at the Gettysburg College campus.

House Seeks Earlier Social Security Hike

Committee Orders Legislation Drafted; Jan. 1, 1967 Eyed

WASHINGTON (AP) — House members are showing a strong inclination toward seeking Social Security benefit increases a year earlier than recommended by President Johnson.

In a surprise move Thursday, the House Ways and Means Committee ordered legislation drafted for study today. And both Republicans and Democrats on the committee talked of starting additional benefits to pensioners Jan. 1, 1967.

Johnson’s proposal for higher benefits and other added features was suggested for congressional consideration next year — to become effective on Jan. 1, 1968.

One source said the Ways and Means Committee would vote unanimously for an early start if Chairman Wilbur D. Mills, D-Ark., indicated he would favor sending a bill to the House.

Mills made no comment. But the senior Republican member of the committee, Rep. John W. Byrnes of Wisconsin, said he is gratified that the committee has “seen fit immediately to consider legislation to provide increases in Social Security benefits to offset increases in the cost of living before the adjournment of Congress.”

One version of the draft legislation, prepared at Byrnes’ request, would provide a prompt 8 per cent increase in Social Security benefits. Byrnes said this could be financed without increasing taxes, and Congress could consider Johnson’s broader proposals — and any taxes they involved — at leisure next year.

No Aircraft Lost During New Attacks

Reds Warned About Military Activity In Buffer Zone Area

SAIGON, South Viet Nam (AP) — The U.S. Military Command today reported a record number of bombing missions against North Viet Nam and threatened to resume bombing of the eastern end of the demilitarized zone unless the Communists stop infiltrating there.

U.S. planes flew 173 bombing missions over the Communist north Thursday, two more than the previous record on Sept. 11. No planes were reported lost Thursday but an Air Force F105 Thunderchief was shot down today 70 miles northwest of Vinh, the 399th loss reported for the air war against the north. A helicopter rescued the pilot.

A U.S. spokesman charged the Communists with military activity in the 30 square miles at the eastern end of the buffer zone between North and South Viet Nam and said if it continues the U.S. and South Vietnamese government “will be obliged to respond.”

The spokesman did not spell out what the response would be, but air attack has been the only U.S. action against the zone. Bombing of the eastern end was suspended two weeks ago to allow field teams of the International Control Commission to investigate charges that the once neutral zone was being violated.

U.S. B52 bombers attacked the zone toward the central part today hitting North Vietnamese infiltration routes and bivouac areas 18 miles northwest of Dong Ha, the U.S. Command reported.

In South Viet Nam, ground fighting was relatively light as the U.S. and South Vietnamese commands reported a series of small, scattered clashes.

But American and South Vietnamese troops scored a notable success in opening 80 miles of highway through the Viet Cong-infested territory between Saigon and three rich rubber plantations near the Cambodian border north of the capital.

The 700-vehicle convoy, the largest since American troops came to Viet Nam, hauled rice for 40,000 people up to the plantations and returned with 2,500 tons of rubber worth \$2 million, a vital export. Only minor Viet Cong harassment was reported, and no one was hit.

Cleveland Set For Retrial Of Sheppard

CLEVELAND (AP) — The retrial of the Sheppard murder case will open in Cleveland on Monday, Oct. 24, Judge Francis J. Tally ruled today.

He denied a defense motion for change of venue, but granted a request to delay the trial from Oct. 18 as previously announced.

Sheppard, convicted of second-degree murder for the July 4, 1954, bludgeoning slaying of his first wife, Marilyn, was granted a new trial by a U.S. District Court judge in Dayton in 1964. The federal court ruling, upheld by the U.S. Supreme Court last June 6, said that because of prejudicial news coverage and courtroom commotion Sheppard was denied his constitutional right to a fair trial.

Sheppard served nearly 10 years in prison before his release on bond in 1964.

Girls Issue Appeal

Adult Advisers Needed For City VISTA Project

An appeal for adult leaders to assist in forming 4-H clubs in the East End area was issued Thursday by Sue Sperry and Ruth Ann Hutton, VISTA workers on a one-year service tour in East Liverpool.

The girls, working under the direction of the Columbiana County Cooperative Extension Service, stress the fact that 4-H is not exclusively a rural operation.

Miss Sperry said 50 per cent of the 4-H members today are urban. "There are 130 projects which are geared to city life," she declared.

The girls report adults are needed to help in the supervision of these clubs which will begin operations with fourth and fifth graders — aged 10 and 11 — in the East End.

"The clubs will meet about once a month, with the youngsters largely on their own," the girls say. "The rest of the time they will work on individual projects. And it's free. No dues. No fees. No uniforms. Maybe a limited amount once in a while for material needed on a sewing project, but that's all."

Adults need not have special skills to serve as leaders, but they should have a real feeling for children," Ruth says.

The girls are very serious about the work and are now busying themselves with finding locations for the clubs, with talks at churches and school groups.

Noted Israeli Director To Speak Here Sunday

Hy Kalus, one of Israel's leading stage directors and founder of the Israel Actors Studio, will appear at the Beth Shalom Congregation Sunday at 11:30 a.m. on behalf of the United Jewish Appeal for the East Liverpool Jewish Federation.

Born in Providence, R.I., Kalus spent several years in New York and elsewhere studying for the theater as an actor, director and producer. He went to Israel 10 years ago.

Kalus has directed works by Eugene O'Neill, Arthur Miller, John Osborne, Lillian Hellman and William Inge for two of Israel's most important theaters, Habimah and the Chamber. In addition, he has directed several notable documentary films. Presently, he is directing a Broadway production of "Birth of a Nation Twister."

As a stage-struck youth in Providence, he appeared in vaudeville and began acting in summer stock companies. His career was interrupted in 1942 when he served with the Army during World War II. He was seriously wounded in Belgium and after a long period of convalescence was honorably discharged in January 1946. Soon after his return to civilian life, he entered New York University and spent more than three years there as a student.

He kept his interest in the theater alive by appearing in summer stock, studying with the American Theater Wing and appearing with NYU's Hall of Fame Players. In his senior year, he decided to give up his studies and return to the theater.

He was accepted as a member of the Actors Studio in New York and spent six years with stock companies throughout the country and appeared in many

The United Jewish Appeal is the major American agency aiding immigrants to Israel and distressed Jews overseas. UJA aid programs are carried out by three member agencies: the United Israel Appeal — Jewish Agency for Israel Inc., which helps to receive, settle and absorb immigrants to Israel; the Joint Distribution Committee, which aids Jews in 30 countries, including Israel, where it conducts a special welfare program for aged, chronically ill and handicapped immigrants; and the New York Association for New Americans, which assists Jewish refugees to the United States.

The United Hias Service, which provides for the resettlement of Jewish refugees to countries other than Israel, also benefits from the UJA campaign.

Thieves Get 8 TV Sets At Enon Valley

Pennsylvania state police are investigating the theft of eight portable television sets valued at a total of \$1,050 from Vogel's Appliance Store on Route 551 north of Enon Valley.

Store employees found the door to the store open when they arrived this morning. Officials are at a loss to explain how the thieves entered the building, there being no sign of forcible entry.

Meanwhile, East Palestine officers today released a 24-year-old man after questioning him in connection with the theft of two television sets from the smashed display window area of the R. C. Fosnaught Radio & TV Store early Thursday morning.

A man and woman drove away from the site in a station wagon after breaking the window and removing a portable set and a console model.

Glenn Spaite, husband of the store operator, Mrs. Ina Spaite, ran from an upstairs apartment and fired a pistol shot at the fleeing pair.

Coin Machines Rifled In Buckeye Club Entry

Four coin machines were rifled of an undetermined amount of change in a burglary timed between 2:30 and 6:30 a. m. today at the Buckeye Club at 616 Dresden Ave., police reported.

The intruder gained entrance by forcing a second-floor window on the east side of the building, officers said. He escaped with an unknown amount in nickels, dimes and quarters.

The entry was reported by telephone to Patrolman David K. Mumaw, the desk officer. Patrolman James W. Buckley wrote the report.

Crash Hurts Area Cyclist

A motorcycle operator was injured in one of three district highway mishaps investigated Thursday by the Ohio Highway Patrol at Lisbon.

Ronald Parker, 23, of 229½ N. Market St., East Palestine, suffered abrasions and cuts on the chin when his motorcycle veered off Route 154 just west of the Pennsylvania border at 11:30 p. m. and struck an embankment.

He was treated at Salem City Hospital. There was slight damage to his 1961 cycle, of 1960 Thayer car.

Charles Edwin Hutcheson, 21, Heroin, per ounce, costs 225 of Grant St., Lisbon, was cited times more than gold.

by the patrol after his 1958 sedan went into a ditch after going off Route 172 at a curve two miles east of Route 9 at 11 p. m.

He was charged with traveling at a speed too fast for conditions.

A collision occurred on Route 14 just east of Route 165 late yesterday morning involving vehicles operated by Aradene Thayer of 156 Leake St., East Palestine, and Kenneth Kridler of Pittsburgh.

Officers said Kridler was headed south and turned east into the side of the oncoming vehicle.

Rate Hits Record Low
HARRISBURG (AP) — The September unemployment rate for Pennsylvania was 2.8 per cent of the work force — the lowest rate on record, reports the State Department of Labor and Industry.

The department said Thursday that 133,000 persons were unemployed last month, 17,000 less than in August.

Americans Hated In Viet Nam

The U.S. secretary of defense is inspecting South Viet Nam again.

We respect the mental capacity of Robert S. McNamara.

He has shown repeatedly that his orderly mind grasps and holds information that most of our minds could not cope with.

In the reorganization of the vast department that overshadows everything in Washington, everything in the United States and looms larger on the world scene than any other American influence, Secretary McNamara has demonstrated brilliance.

He has stood head and shoulders above other members of the two presidential cabinets he has served in.

But we have no confidence in this brilliant man's ability to sum up in Viet Nam what needs to be summed up. He can compile statistics until his computers choke. He can listen to generals and admirals until his ears grow weary. He can inspect forces in being until his eyes grow tired and his brain is tagged.

And he still can come home as we believe he has come home seven times before with a wrong idea about what would be needed to get the United States out of Viet Nam with honor.

The obstacle to U.S. victory and the opposition's defeat in this undeclared war is something Secretary McNamara cannot measure, count, or appraise. No one who thinks in military terms can appraise it.

It is the fierce determination of people to resist foreign influence in their country. The

United States thinks of itself as a rescuer, but the majority of the Vietnamese think of it as a replacement for France, whose troops they drove out 12 years ago.

Secretary McNamara has no contact with people who think this way.

The military minds he relies on for information about the war in Viet Nam either don't know or won't tell what their problem is when confronted by people who would rather die than submit to invaders. This was the spirit that fired up the British when they were threatened by the Nazis — the spirit that enabled the otherwise disorganized Russians to drive out the French under Napoleon and the Germans under Hitler.

It is a strange role for Americans to be playing, but the harsh truth is Americans are the victims in Viet Nam of unreasoning hatred directed against people who show up in places where their presence is resented by the natives.

Caution In Order

Youngsters are energetic and generally in a hurry — some time to their own disadvantage.

We have received complaints — offered in a constructive manner — that some in waiting for school buses have a tendency to crowd onto the highway, endangering themselves and creating another driving hazard for motorists.

A parental word of caution seems in order. The youngsters should be cautioned to stay on the sidewalk until the buses arrive and not push into the street.

Food vs. Population

Latest figures on the state of the world's food shortage problem by the U.N. Food and Agriculture Organization (FAO) are frightening.

In the past year, the world's population increased by 70 million while food production dropped two per cent.

Mankind is slipping deeper in the quicksand of a world food crisis. There are nearly 200,000 new mouths to feed each day.

The task of finding a solution is beset by a multitude of complexities.

The United States and other countries have attempted various give-away schemes to feed hungry people in other lands but in each case the scheme has proved to be just temporary.

Countries relying on handouts only are delaying the day when they must face facts and learn to produce for their own people. Sooner or later, there will be no more surplus from the United States and others.

Some countries already are tilling all available land and still cannot produce enough food. Here, programs must be instituted to increase yields. And even then, the point finally will be reached when population outstrips production and chaos results.

Imported U.S. grain has depressed domestic prices in some countries and discouraged production. This has created an even greater need for food imports.

It is a vicious circle with increasing population in the center.

Increased food production must go hand-in-hand with a program of birth control to stabilize runaway population increases.

It does little good to increase food production two per cent if population rises at the same rate.

Oct. 14 Is A Big Day

Oct. 14 became a red-letter date in our household when it was disclosed a few years ago that the founder of our family in England came with William the Conqueror from Europe in 1066.

On Oct. 15, 1066, William and his roustabout troops knocked off Harold, king of England, and his out-maneuvered housecarls, thegns and peasant militia in what historians refer to as the Battle of Hastings.

This was one of those rare battles that actually decided something. It decided that the English, who never had been bright and were unspeakably loutish and bloodthirsty, would be saved by an admixture of Continental culture, such as it was.

It also decided that what had been up to that time a loose little island that could be overrun at will by Romans, Norwegians and anyone else with ships and an urge to travel would be turned into a tight little island that never has been invaded since.

It also decided that when it came my time to be born in the 20th century I would be born as a British transplant instead of a Frenchman or a French transplant. For this I am grateful. The best day I ever lived I could not learn to speak French with verve and style.

The way we learned about our debt to the outcome of the Battle of Hastings was the coincidence that a member of our family just happened to ask for a certain ancient book in the library at Yale University and just happened

to read what had been written on the book's fly leaves hundreds of years before.

The writing disclosed that the book had been owned by one of his ancestors, who had set down the history of his family, beginning with its founder's arrival in England with William the Conqueror.

It may be lucky that the record did not go beyond 1066, because when William decided the time had come to conquer England he assembled a motley force of adventurers attracted by the prospect of loot and high jinks in the English countryside.

It may even be stretching the point to assume our family ancestor was entitled to the name he used, because in a melee like that people have been known to avoid the use of their right names.

Our founding father may have been as disreputable as some of the characters who reached the United States one way or another and started to populate this territory.

In any case, our ancestor got around. He obviously was a cutup because in Wales to this day there are more members of our family than a policeman could shake a night-stick at.

It's not clear what I should do in honor of the Battle of Hastings. The English are confused, too. They can't celebrate a pasting. But neither are they ashamed of it because in the long run they absorbed the invaders, who never were heard of thereafter as anything but Englishmen.

Letters To The Editor

Group's Objectives Outlined

EDITOR OF THE REVIEW:

After reading the newspaper account of the meeting of our "Action" group at Westgate School Tuesday, I was moved to ask if you would report a few items that might interest your readers.

First, I would like to state that the writer has had invaluable help and encouragement from some outstanding school people whose names were inadvertently omitted from the news story. These people, all dedicated educators, are Mrs. Marie Graham, Mrs. Rosalie Spencer, Bruce Roush and Jerry Russell.

What our "Action" committee and Youth Guidance Council will hope to achieve is a concerted community effort to help our youth. We envisage such things as after-school activities in physical fitness, hobby and craft, homemaking, clothing remodeling, as well as guidance and counseling for disturbed or defiant youth.

In our meeting that evening were two fine young men from our high school — namely Tom Ash of the Key Club and Darrel Jones of the Student Council. It was heart-warming to hear them make suggestions for helping the youths who need help. One of the suggestions was to have the high-achieving students help under-achievers with homework.

Such a simple but practical idea could well be a great contribution to our efforts.

What the council will need most of all is the services of interested adults who will work with the clubs and groups we will sponsor in our schools. We hope that citizens of all stations, races and beliefs will give us a hand. Our youth need us and we need them.

In closing, I would like to say that the name of Alonzo Spencer should have been added to the Youth Guidance Council. The oversight was mine and I hope will be forgiven.

Some of our council members will be calling people to volunteer for work with the council-sponsored clubs. Please respond!

EDITOR OF THE REVIEW:

I, too, am a trainee at Ft. Benning, Ga. Like many other soldiers, I like to know what is happening back home.

So my parents are sending me The Review. I also read Bill Wotring's letter and I agree with him 100 per cent. It really makes you feel good to receive the paper each mail call after a day of hard training.

Like Bill said, it really makes its rounds. Many other soldiers ask me if they could read my newspaper. And proudly I say, "Yes." After each person has read it, I ask for their opinion. And nine out of 10 say it is a real nice paper. It has information that other papers do not. And that includes their own home town papers.

They also say that the sports page really covers the home town teams. So once again I say to the people of East Liverpool and the tri-state area, you should be proud of The Review. Because you don't know how lucky you are to be receiving the news that people away from home sent.

'We're Supposed To Be Happily Married.'

'Mini-Gun' Inside Story Told

By Victor Riesel

WASHINGTON — Take it as absolute fact that what has been going round and round in President Johnson's mind is a note struck by

"McNamara's band" — the three Cabinet officers who have been playing musical rooms in an effort to head off a national electrical and electronic industry strike.

That note was a personal warning that there must not be an hour's delay in the production of a fantastic "mini-gun."

This is a seven pound, 2.6 millimeter rapid fire weapon which Defense Secretary McNamara hopes to put on "every" helicopter on the Vietnamese front. The mountings must begin in December.

This "mini-gun" is produced at the bucolic General Electric Plant in Burlington, Vt. — where "production affects a substantial part of the small arms manufacturing industry (classified "1951" in the SIC Manual).

A STRIKE by the International Union of Electrical Workers (AFL-CIO) would cut that production. Such a stoppage would also cut the heart out of the morale of tens of thousands of young troops to whom the helicopters have become metallic angels.

It's not generally realized but there are now more troops in Viet Nam than there were in Korea. And they are counting on those "mini-guns" to help bring them out alive in far less time than it took to get to an armistice in Korea.

So there is no doubt that President Johnson will not permit cessation of production in Burlington, or at other GE plants which make the jet engines for the Phantom-4 fighter.

But how can he stop this strike?

He can use a sweeping Taft-Hartley 80 day "cooling off" injunction. But that would anger both sides. Both sides are powerful. Each wants a victory now.

The labor offensive is led by AFL-CIO president George Meany himself. He picked the GE company for a showdown on labor's industrial strength today.

ON THE OTHER SIDE is not only GE but virtually all of American industrialism. Businessmen are watching to see with whom the President sides.

If he pressures the big corporation — and he has not — then business will say: There goes the old White House-labor coalition.

If he pressures the union, there is no doubt that Mr. Meany would feel that the White House has let him down personally after all he has done to keep labor in line this last year. Actually during the session Congress gave the labor chiefs mighty little of what they sought in special interest legislation such as easier picketing law and repeal of the statute (14B) which permits states to ban the union shop.

So, in effect, the President needs a settlement

which would permit both sides to crow — instead of one side eating it.

This has been like trying to get Bob Kennedy and Barry Goldwater to co-sponsor a fund-raising drive for Nelson Rockefeller.

THERE REALLY is no money issue in this strike crisis. All insiders agree that the GE offer — replete with wage increase and special insurance plans and stock option offers — is a mighty fine one.

If it were merely a matter of a few pennies an hour one way or another, Willard Wirtz, the pro-labor secretary of labor, John Connor, the pro-business secretary of commerce and Robert McNamara, the pro-production secretary of defense, could get things worked out.

The issue as it developed when labor leaders, GE executives and government shuttled in and out of Cabinet departmental headquarters, is the showdown between the front runner for labor — George Meany — and the front runner for industry — General Electric.

This is the first time George Meany actually has led a strike offensive. He feels he cannot back down — not only because he would lose face inside the movement, but because loss of face would mean loss of prestige for all labor. He is their spokesman.

Neither can GE back down. It has backed away from what is called "Boulwarism," which is a label put on the "take-it-or-leave-it" policy of former GE vice president Lem Boulware, a big, good — humored chap now undoubtedly chuckling through it all as he relaxes either in his east side Manhattan apartment or his Fort Lauderdale area retreat near the golf links.

BOULWARE WAS TOUGH. But GE has moved from that stance recently with a series of increased offers. So the company is telling McNamara and Connor it has yielded as much as it can and is ready to take a strike, and that the President should use Taft - Hartley as a "rifle" not a "blunderbuss."

The corporation believes that the President should "cool off" only the 12 plants — including the Burlington "mini-gun" operation — and not slap an injunction on the company's garden variety electrical plants.

So no one has been budging. The White House therefore decided to keep everybody down here for the duration. Why?

"We hope to develop a sense of urgency," someone "inside" the White House said rather sadly the other day.

One can always hope.

The Bid For Mutual Trust

Language is no longer a barrier to mutual understanding between governments of the United States and the Soviet Union. But what can produce mutual trust?

When President Johnson talked for an hour and a half at the White House Monday with Foreign Minister Gromyko—who speaks excellent English—the news reports said the Russian foreign minister had by his side translators to present certain official statements. But there was plenty of intimate conversation in English on and "off-the-record" basis.

The United States started in the 1930s to train its diplomats to speak Russian. There are today between 90 and 100 foreign service officers who have served in the American Embassy in Moscow and have made a special study of the entire Soviet environment. Foy D. Kohler, who is returning from Moscow to become deputy undersecretary of state for political affairs, speaks the Russian language, and Llewellyn E. Thompson, Jr., who has twice served as American ambassador to the Soviet Union and is resuming that post, also talks fluently in Russian.

When President Johnson in his speech in New York last Friday appealed for a united Europe, he said this will happen only "as east and west succeed in building a surer foundation of mutual trust."

MR. JOHNSON'S PUBLIC utterance was carefully planned to produce the kind of friendly atmosphere which makes it possible for the Soviet foreign minister to go back to Moscow with a definite impression about the sincerity and earnestness of the United States in wishing to live at peace with the Soviet Union.

The President's address in New York contained several overtures that undoubtedly will impress the Soviet government. He outlined a series of points, including better tariff and trade treatment generally for the eastern bloc of Communist states and help to four of them in getting commercial credits.

The list of proposed actions the United States might take in certain fields is perhaps the most comprehensive program that has been launched in a long time to improve Soviet-American relations. Mr. Johnson said that "we want the Soviet Union and the nations of Eastern Europe to know that we and our allies shall go step-by-step with them just as far as they are willing to advance."

There were intimations, too, that the United States is ready to help stabilize the military situation in Europe so that there can be "a gradual and balanced revision in force levels on both sides." This, the President remarked, could steadily shape "an entire new political environment."

The intimate consultations just begun between the diplomatic representatives of the Soviet Union and the President and secretary of state here may play an epochal part in changing the international climate in Europe and in influencing in an important way the whole Asian situation.

MOST SIGNIFICANT is the fact the United States and the Soviet Union are trying to develop some kind of working understanding with reference to the continent of Europe. If the threat of war were eliminated, this would make forces. It would, of course, cut down substantially the annual expense of the United States.

There are, however, many imponderables in the whole situation. What about German reunification? Also, if military forces in Europe on both sides are reduced, does this mean that there will have to be reliance on nuclear weapons in case a war does break out?

For the time being, there is much discussion about the tentative agreement between the Soviet Union and the United States to work together to prevent a "proliferation" of nuclear weapons among other nations of the world. On the surface, this looks like a salutary development, but it does not answer the question of what would happen to Western Europe if, after it has reduced its armies, a sudden attack came from the East and America's armies in large part would have been withdrawn.

Obviously the only answer that ever will be found to such questions must be based on mutual trust between the powerful governments of the world. It could be the continued possession of tremendous nuclear power by the United States and the Soviet Union might actually serve as a combined deterrent against any irresponsible government that might emerge in Peking or elsewhere.

DETROIT (AP) — British Foreign Secretary George Brown opened his speech to the Detroit Economic Club with criticism of the United States — its food, not its policies.
After downing beef stew, tossed salad with chef's dressing, and lemon pie Thursday, Brown said:
"I've always thought there are some things we do better in Great Britain than you do in the United States. The lunch today leads me to believe that feeding is one of them."
The members applauded.

LONDON (AP) — The National Society of Nonsmokers in Britain has named Prince Philip, husband of Queen Elizabeth II, as tops in a new "top ten" of nonsmokers.

Others on the list, announced in London Thursday, include newspaper magnate Lord Thomson and violinist Yehudi Menuhin.

NEW YORK (AP) — School Supt. Bernard Donovan has ordered two Forest Hills High School students reinstated in classes despite their refusal to cut their Beatle-length hair. The school's principal had ordered them suspended two weeks ago.
Donovan said Thursday, "Long hair per se is not sufficient grounds for excluding these boys from classroom instruction, nor is the fear that long hair and bizarre dress might disrupt classroom routine reason for barring them from classes. There must be actual disruption of decorum. This is not the case here."
The boys, Michael Bandler and Larry Brand, both 16, are rock 'n' roll musicians. Each has a good academic record.

EAU GALIE, Fla. (AP) — Princess Grace of Monaco, Mickey Mantle, Arnold Palmer, Bob Hope, Bing Crosby, Barry Goldwater, Mrs. Lyndon B. Johnson, Joan Crawford, Arthur Godfrey, Art Linkletter, John Wayne, Steve Allen, Sen. Robert F. Kennedy, Perry Como, Batman, Jerry Lewis, Vice President Hubert H. Humphrey. All of them responded to letters seeking auctionable items for the annual charity bazaar of St. John's Episcopal Church.
The result: books, baseballs, paperweights, ashtrays, pens, and so on, enough for a very good bazaar.

Sheriff Asks Stores Obey Sunday Laws

LISBON — Sheriff Russell J. Van Fossan is appealing to Columbiana County merchants to observe the Ohio Sunday closing law. Enforcement will begin Sunday, he said.
The sheriff said he has neither the manpower nor time for effective enforcement, so must depend on the cooperation of business interests.

More than a year ago, East Liverpool merchants brought charges against Hill's Department Store in St. Clair Plaza for operating on Sunday. Hill's subsequently filed similar charges against some of the city merchants.

Hill's reopened for Sunday business three weeks ago on grounds other stores in the area had reopened on Sundays.

Now, competing merchants, instead of filing charges individually or as a group, are demanding that the sheriff enforce the law.

"They're right and I will do all I can to see the law is complied with," the sheriff said. "I don't want to have to make arrests and I hope everyone concerned will agree to close voluntarily."

He said he has received promises of cooperation from St. Clair Plaza merchants with whom he talked yesterday. He said he will visit other storekeepers around the county as time permits.

The Sunday closing law applies to virtually all stores. Drugstores are excepted, but only to sell drugs.

Beaten Body Of Girl Found In Canton Area

CANTON, Ohio (AP) — The badly beaten body of a 19-year-old girl was found in a wooded area off an expressway here early today, police said.

Police identified the victim as Betty Brown. They said she apparently had been beaten with a large tree limb and possibly a rock. Officers said they didn't believe the girl had been molested.

A former Baltimore, Md., man was being questioned, police said.
The coroner will rule.

Deaths and Funerals

Mrs. Harry Ruhl

Mrs. Ellen H. Ruhl of 831 S. Union St., Salem, wife of Harry T. Ruhl, died Thursday at 10:40 a. m. at home.

She formerly resided at Church Hill, between Elkton and Lisbon.

A native of Washingtonville, Mrs. Ruhl was born Oct. 15, 1886, and would have been 80 Saturday. She was the daughter of the late Edward Hardy and Alice Smedley Hardy. She was a member of the First Christian Church of Salem and the Town and Country Club of Church Hill. She was married in August 1903.

In addition to her husband, she leaves a niece, Mrs. Robert Lazier of Salem, and two nephews, Norman Steele of Salem and Denton Mossop of West Palm Beach, Fla.

Services will be held Saturday at 3 p. m. at the Warwick Funeral Home in Columbiana by the Rev. Harold Deitch. Burial will be in Lisbon Cemetery.

Friends may call at the funeral home tonight from 7 to 9.

Mrs. Luie L. McKee

LISBON — Mrs. Luie Lois McKee, 77, of 401 N. Beaver St. died unexpectedly at 9:30 p. m. Thursday while visiting a nephew, Leroy Lowery of Tiltonville.

She was born March 25, 1889, in Lisbon, a daughter of Lewis and Minnie Lowery Vaughn, and lived here most of her life. Mrs. McKee was a member of the First Christian Church. She was a fountain clerk at Morgan's Drugstore for many years. Her husband, Edward McKee, died in 1945.

She leaves a daughter, Mrs. Martha Hawthorne of Lisbon; two sons, Edward McKee of Lisbon and Harry McKee of Brooklyn, N. Y.; and 11 grandchildren.

Services will be held at 1:30 p. m. Monday in the Ellis Leggett Funeral Home, where friends may call from 2 to 4 and 7 to 9 p. m. Sunday.

The Rev. Paul T. Gerrard of the First Presbyterian Church will officiate. Burial will be in Lisbon Cemetery.

Charles Dawson

Charles S. Dawson, 74, of Pittsburgh, a retired salesman, died Thursday morning at the St. Barnabas Home in Gibsonia after a lingering illness.

His wife, Mrs. Ruth Orin Dawson, formerly of East Liverpool, died June 15, 1946.

He is survived by a daughter, Mrs. Frank W. Kern of Pittsburgh; his mother, Mrs. Mary Dawson, a patient at the Fox Nursing Home; a brother, Donald Dawson of Pittsburgh;

five grandchildren, nieces and nephews.

Services will be held Saturday at 10:30 a. m. in the chapel room of the St. Barnabas Home, followed with graveside services at Spring Grove Cemetery here.

Aulta Langdon

Services for Aulta L. Langdon of 304 Washington St., who died Thursday at City Hospital, will be held Saturday at 2 p. m. at the East Liverpool Arner Home for Funerals by the Rev. Charles S. Taylor of the Friendship Gospel Tabernacle. Burial will be in Locust Hill Cemetery, Chester.

Survivors include four sons, Kenneth Langdon, at home, Raymond Langdon and Donald Langdon, both of East Liverpool, and Robert Langdon of Leavittsburg.

Friends may call at the funeral home this afternoon and tonight.

Josephine Zambito

Mrs. Josephine Zambito of Elm Grove, a sister of Mrs. Catherine Cuffaro of Wellsville, died Thursday at 12:05 p. m. at Ohio Valley General Hospital in Wheeling. She was 78.

Mrs. Zambito was a native of Sicily. Her husband, Pasquale Zambito, died in 1950.

She also leaves three other sisters, five sons, two daughters, 17 grandchildren and seven great-grandchildren.

Services will be held Monday at 8:30 a. m. at the Kepner Funeral Home in Elm Grove. Friends may call at the funeral home after 7 tonight.

Lisbon Location

Seen Ideal For Industrial Sites

LISBON — "We are in the bull's-eye of one of the greatest industrial regions in America; all we have to do is tell the people," the director of the Columbiana County Regional Planning Commission said here Thursday.

J. L. Morrissey made the remark while talking to the commission's economic development committee during a dinner meeting at the Wick Hotel. Howard Firestone of Salem, chairman, presided.

Morrissey stressed that cooperation is needed to induce expansion of existing industries and to receive the favorable consideration of new desirable industries looking for sites.

The industrial areas of Steubenville, Weirton, Pittsburgh, Youngstown, Canton and Cleveland should not be considered competition, Morrissey said.

"We're right in the middle," he said, adding the aggressive competition is from territories west of the Mississippi River.

Firestone's committee includes representatives of trade, industry, labor and agriculture from all areas of the county. Floyd Lower of Lisbon, commission president, attended.

Kiwanians Hear Speaker Discuss Nation's Outlook

The uncertainties of the Viet Nam conflict and government spending play a large role in the economic outlook for the U. S., the Kiwanis Club was told at a meeting Thursday noon at the Travelers Hotel.

Don Forsythe of Beaver Falls, representative of Singer Deane & Scribner, investment brokers, discussed current economic conditions and prospects for the next two years.

He said the consensus of most economists is that there is little likelihood of a serious recession for 1967 unless there is a large cutback in defense spending.

He said the Viet Nam fighting and expenditures for the war, the tax outlook, the tight money situation and international monetary conditions all have a hard-to-define effect upon the economy.

Forsythe answered various questions about inflation and the stock market situation. He was introduced by Ronald Mason, program chairman.

Harold Allison reminded members of the rummage sale being sponsored this week at the former Yarn Shop on W. 6th St. and said contributions may still be made.

Unpaid Food Bill Brings Detention For 3 Area Boys

LISBON — Three of four Beaver Local School District boys are in detention at Columbiana County Jail following hearings Thursday before Judge Louis Tobin in Juvenile Court.

The four, ages 16 and 17, were cited after a traffic accident Wednesday night on Birch Rd. Investigation revealed they had been together a short while before when one of the boys ordered \$2.75 worth of hamburgers and french fries at Kennedy's Restaurant on Route 7 and took them without paying the waitress.

The youth who admitted taking the food did not have his parents with him yesterday, so his hearing was continued until Tuesday.

Judge Tobin ordered 30 days in detention for one youth who was in violation of probation granted earlier in Juvenile Court and for another who gave false information to the State Highway Patrol at the accident scene and admitted having run away to Florida. Both are 17.

The judge ordered the driver to spend 10 days in detention. The court said the youths are to observe a curfew and are not to associate with each other upon completion of detention.

Schools Planned For 384 On Area Precinct Staffs

The County Election Board reminded today that schools of instruction will be held next Tuesday and Thursday nights for the 384 men and women who will serve as precinct judges and clerks in the district at the Nov. 8 general election.

A class is set Tuesday night at 7:30 at the Westgate School auditorium for the 294 persons who will work in 49 precincts in East Liverpool and adjoining Liverpool and St. Clair Townships.

The Wellsville district class is set Thursday night at 7:30 in the visual education room at Daw Junior High School. It will be for 90 persons who will man 15 precincts in Wellsville, Yellow Creek Township and the Glasgow Precinct of Madison Township.

The classes will be the last two in a series of seven that began Oct. 4. The earlier classes were held at Columbiana, Salem, Lisbon and Hanoverton. A "school" is set Monday night at 7:30 in the East Palestine Legion Hall for 108 workers in 18 precincts in East Palestine, New Waterford and Middleton and Unity Townships.

The instruction will stress election law amendments, court rulings and opinions of the attorney general's office on ballot-marking. Ballots to be used in each subdivision at next month's election will be explained in detail.

There are at least 250 known species of asters.

2 Midland Sisters Honored At Meeting Of Junior Women

ELLEN VIAKLEY
Named Girl For September.

MILANA VIAKLEY

Lawrenceville's Firemen Answer Alarm On Smoke

The Lawrenceville volunteer fire department was summoned at 6:15 a. m. today when smoke blamed on an overheated furnace motor filled the home of Mrs. Ellis Francis in Meadowbrook Acres off State Route 2 about three miles from Lawrenceville.

Chief George McDole said there was no damage, other than to the motor. Seven men responded in a pumper truck and an emergency car. Firemen turned off the electricity and the oil supply to the furnace.

The chief praised Mrs. Francis for telephoning the alarm promptly. He also praised Lester Miles, caretaker at Chester City Hall, who receives fire calls for the Lawrenceville department and sounds the siren. The fact that both acted quickly enabled firemen to respond promptly, he said.

McDole said firemen are completing work this week on distributing stickers to householders in the Lawrenceville area. Designed to be attached to telephones, the stickers list the number to be called for fire alarms so that there is no delay in summoning firemen, he said. It is part of the observance of National Fire Prevention Week.

Palestine Judge Fines 7 Drivers

Seven drivers were fined on speeding charges in County Judge Herbert Artman's Court at East Palestine Thursday and two motorists were penalized on other violations.

Fined for speeding were Joseph Wolfe of 201 W. 3rd St., \$15 and costs, and Eugene Crowl and Leonard Ridson of New Waterford R.D. 1, Curtis Nicholson, Ella Mae Mitchell and Lewis Marchbanks of Lisbon R.D. and Robert Kennedy of East Palestine R.D. \$5 and costs.

George M. Miller of M.C. 22 was fined \$15 and costs for permitting an unlicensed minor to operate a motorbike which Miller was directed to sell.

Gary Dale Stanley of R.D. 1 was fined \$5 and costs for illegal passing and Frank Ruscoe of New Waterford was fined \$10 and costs and given a 14-day suspension of his license for reckless operation.

Disc Jockey Claims Broadcasting Record

BETHANY, W. Va. (AP) — College disc jockey Craig Specker awoke from a long sleep today, the new self-proclaimed holder of the national continuous broadcasting title.

The 20-year-old Specker, of Williamsburg, Va., lasted 115 hours at the microphone, beating his own goal of 100 solid hours of "rock and talk" over the Bethany College educational radio station.

He quit at 11:30 a. m. Thursday, after starting last Saturday afternoon. But when he left the studio, it was even then only on the advice of a doctor.

JAMES A. RHODES
GOVERNOR

STATE OF OHIO
OFFICE OF THE GOVERNOR
COLUMBUS 43215

TO THE PEOPLE OF OHIO:

Ohio is the greatest state in the Union, and a proud state. Ohio's great newspapers have been of invaluable assistance in making it that way.

National Newspaper Week is October 9-15 this year. Appropriately, National Newspaperboy Day is October 15.

The importance of our newspapers cannot be over-emphasized. While some take freedom of the press for granted, our press is constantly on freedom's firing line. That's why you get the story from your newspapers, and get it straight.

An intelligent, informed citizenry needs the facts and Ohio's communities are the beneficiaries of the public service projects of their local newspapers.

By the same token, newspaperboys represent a splendid example of endeavor and reliability for all young people. The evidence of this everywhere is overwhelming.

If you want to know what's going on, consult your newspaper. And if you want assurance that you'll get it, take a look at the young man delivering it. He's a real winner.

Sincerely,

James A. Rhodes

this year, invades Patterson Field with a tremendous desire to knock off their only Ohio opponent. On offense, only their great quarterback is not a senior. Bill Ross, Beaver Falls rangy quarterback, has been compared to a tall Joe Nameth. He is the best quarterback we have seen all year. His passing is amazing; it is so accurate.

Herb Braxton, their fullback, is so good I felt sure I was watching Jim Brown of Cleveland, in action. He runs inside and outside with great success and usually one person never brings him down. They have three fine halfbacks that could play on any high school team in the state. Their ends are really something special. They are very big, strong, rangy, and excellent pass receivers. Gary Crees is the left and Jim Bonnano is the right. From tackle to tackle, they are better man for man than any team we have seen. They are big, fast, and very tough.

On defense, every boy is a senior. This is a senior, experienced, dedicated football team. They completely dominated a very fine Butler team last week and led 13-0 till late in the fourth quarter. They defeated New Castle 24-14 after New Castle beat Westinghouse.

Larry Bruno, former "Potter" great and Bill Booth award winner, will be highly stimulated to knock off his alma mater. Larry is respected as one of the finest coaches in high school football. He has turned down many offers to go into college football. I am sure he wants this game very badly.

In spite of these odds, the "Potters" will be out to knock off this fine team. We always go into every game expecting to win and this one is no exception. With an all out support from our student body and fans and a dedicated effort from our squad we will be ready.

Thanksgiving Dinner Plans Outlined By Senior Citizens

Tentative plans were discussed for the Thanksgiving dinner Nov. 17 at the First Methodist Church during the meeting of the East Liverpool Senior Citizens Group Thursday afternoon at the parish hall of St. Stephen's Episcopal Church.

William Osborne, vice president, presided in the absence of Ollie Campbell, president.

Plans were completed for a tour of parts of West Virginia Monday, with the chartered bus leaving the terminal at 8 a.m.

The local group will be represented at the Northeastern Senior Citizens dinner Wednesday at 12:30 p.m. at Meade's Restaurant. The Rev. D. R. Salisbury Jr. invited the group to the church's roast beef dinner Monday from 5 to 7 p.m.

Harold West discussed the 4-H movement and craft work.

A moment of silent prayer was conducted in memory of the late Mrs. Betty Price.

The corsage was received by Mrs. Helen Mackey. "Happy birthday" was sung for Mrs. Nettie Scheffer and also for Mr. and Mrs. Harry Davis on the occasion of their first wedding anniversary.

The choir, under the direction of Mrs. Osborne, sang Columbus Day songs, with Mrs. Nell Pelley at the piano.

The glockenspiel is a percussion musical instrument dating from medieval times. It was originally, as the German name implies, a set of bells which struck directly, but in the 16th century the instrument was given a keyboard and came to resemble a miniature carillon.

Safety Aired For Midland PTA Meeting

Midland Patrolman Charles Sallis discussed "Safety for Children" during a meeting of the Midland 4th St. School Parent-Teacher Association Thursday afternoon.

He suggested that school children from kindergarten through the sixth grade have a special route to school so that parents will know their whereabouts at all times.

Mrs. Mattie Matthews gave the invocation. Mrs. Homer Fleming, president, led the flag salute and the singing of "America." Mrs. Matthews replaced Mrs. Charles Cirelli, who resigned as chairman of the ways and means committee.

Mrs. Fleming said three projects for the year are the sale of dish clothes, a November bake sale and a show by the Rita Spanik Dance School in the spring.

Mrs. Joseph D'Itri was appointed chairman of the budget committee. The group approved plans for the annual school picnic June 15 at Youngstown's Idora Park.

Homeroom mothers named are: Fourth Grade — Room 4, Mrs. Eva Mae Kunkle, teacher, and Mrs. Jackie Key; Room 6 — Mrs. Nettie Gottlieb, teacher, and Mrs. Eric Harriel; Mrs. Angelo Migliore and Mrs. Ronald Ulizio.

Fifth Grade — Room 2, Mrs. Marjorie Carter, teacher, and Mrs. Walter Tookes and Mrs. Arthur Trevino; Room 7 — Mrs. Alex Della Valle, teacher, and Mrs. Ronald Ulizio and Mrs. James Morrison.

Grade Six — Room 8, Miss Catherine Rutherford, teacher, Mrs. Eddie Barlow and Mrs. David Williams; Room 11 — Mrs. Lennie Lee Hobbs, teacher, and Mrs. Carl Lacey; Room 10 — Miss Karen Oberg, teacher, and Mrs. Andrew Tonic and Special Education — Mrs. Maye Rutherford, teacher, and Mrs. Roosevelt Suggs.

Open house will be held at the school Nov. 8 and from 7 to 9 p.m. Hostesses will be named. The next meeting will be Dec. 8.

French Figure Dies

PARIS (AP) — Louise Thuliez, 85, companion of British nurse Edith Cavell in World War I and anti-Nazi underground worker in World War II, died Thursday. Miss Thuliez was captured along with Miss Cavell by the Germans in 1915 and was sentenced to death on spy charges because of her help to Allied troops.

County Advised Of 'Hazards' In West Branch School Area

LISBON — West Branch Local Board of Education sent county commissioners two resolutions Thursday concerning road and bridge "hazards."

West Branch is in the Mahoning County school system, but its territory includes part of Butler Township and virtually all of Knox Township in Columbiana County.

The board asked for removal of "hazardous conditions" on county and Knox Township roads "before some lives are lost." Mentioned were the intersection of Hartley Rd. and Homeworth Rd. (County Rd. 401), Hartley Rd. at the railroad underpass and a "severe knoll" on Buck Rd. in front of the Hazen property.

A second resolution called attention to 3-ton and 5-ton load limits on some bridges in Knox Township. The board said its buses weigh more than that, empty, and carry at least 60 pupils per bus.

"Should an accident occur due to the condition of these various bridges and underpass, the responsibility rests with those responsible and not with the

Local BPW Will Take Part In Business Woman's Week

"National Business Women's Week" will be observed by the East Liverpool Business and Professional Women's Club Sunday through next Saturday.

In issuing a proclamation marking the event, Mayor George E. Willshaw today commended the group on its many civic projects, including the Child Health Clinic now in its 19th year of operation and sponsorship of the high school Nike Club, which last year brought the club a citation from the national BPW federation.

The mayor pointed out women constitute 26 million of the nation's working force "and are constantly striving to serve their communities, their states and their civic and cultural programs."

He also lauded efforts of business women to become of greater service "through the study of social, educational, economic and political problems."

The BPW Club will open the week-long celebration with an informal luncheon from 12:30 to 2 p.m. tomorrow at the Inn Town Motel to honor Mrs. William A. Cowan of Xenia, who is president of the Ohio Federation of Business and Professional

'Roving' Pickets Fail To Interrupt Amvit Operation

About a dozen "roving" pickets from a Tuscarawas County firm appeared this morning outside the American Vitrefied Products Co. on Virginia Ave., but made no direct attempt to interrupt the 7 a.m. shift change at the local facility.

Company officials said the group of 10 to 15 "roving" pickets is comprised of employees of the firm's Uhrichsville plant, where an unauthorized strike broke out Thursday over the discharge of a worker. The Uhrichsville employees gathered on Virginia Ave. near the Pennsylvania Railroad Co. tracks, about a half a block from the plant's main entrance. But they did not form a picket line and no signs were in evidence.

The local Amvit plant employs about 150. The company said its workers reported at the usual time without incident. The next major shift change at the East End plant was scheduled at 3 p.m.

The firm emphasized there is no labor trouble at the local plant. Both the East Liverpool and Uhrichsville plant employees are members of the United Brick and Clay Workers Union.

The average U. S. home has an area of 356 square feet.

Girl Gets \$10,000 For Loss Of Eye

BEAVER — Agreement on a \$10,000 award to a Hopewell Township girl for loss of an eye when hit by shotgun pellets a year ago was reached by the participants in a civil action Thursday in Beaver County Court.

Marion and Lillian Marie Davis and their daughter, Marilyn Dee Davis, had filed the action against James McClimens of Independence as a result of the incident in October 1965 near his home.

McClimens fired the weapon at a carload of young people. He said he fired into the air "to scare them away," but some pellets hit the girl in the eye. The parents, in agreement reached yesterday, received \$794.

New York state has 34 public two-year colleges.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: Please tell me how to pull out of this lousy depression I'm in. Every trivial disappointment becomes exaggerated in my mind. Soon it takes on the magnitude of a major tragedy.

I look forward to being alone so I can cry my eyes out and

feel sorry for myself. I'm afraid I enjoy it.

I'm supposed to be an adult (25), fairly attractive and well educated. I fall in love with every man who looks at me twice and treats me like a human being. After a few dates I want to give myself to him, body and soul. Then I drive him away because I try to own him—in return—and I'm alone again.

I hate myself for being so possessive and stupid. Can people change? Or am I hopeless? —LOW LOIS.

Dear Lois: People can and do change but it takes work. You didn't get this way overnight so don't expect any magical overnight transformation.

First get a complete physical checkup. There may be an organic reason for your "lousy depression." If your physician gives you a clean bill of health ask him to point you in the direction of counseling.

It's normal for a person to get down in the dumps once in awhile, but you seem bent on permanent residency. Get some help, Girl.

Second Match

Dear Ann: A woman in our office is being married for the second time. She is having a small wedding with only a few friends and relatives present.

Three girls in the office have planned a shower for the bride and they have handed out a notice with these words, "When a girl has been married once it is foolish to give her things she already has. She wants things she needs."

Here is a part of the "notice"—just to give you an idea:

"Please inform us as soon as possible what you intend to buy the bride and we will let you know if someone already has purchased it. Here are the things she needs: Wooden salad bowls, a beige spread for a large double bed, sheets and pillow cases, lamps for bedroom, large ashtrays to go in gold-and-blue living room. Step chair for kitchen, ice bucket, towels for a green bathroom, blankets (green or gold, please), brass candlesticks, an abstract painting."

Well, Ann, that's only part of the list. Are we crazy, or is this the last straw? What would you do?—M.N.Y.

Dear M.N.Y.: This is the last straw and I would throw the whole crummy business in the wastebasket.

Foghorn Granny

Dear Ann: My grandmother is a nice lady but she has a very loud voice. Whenever I'm out playing with the kids she hollers, "Bernie-eee."

People two blocks away poke their heads out of the windows. I have to leave in the middle of the ball game or whatever I'm doing to go see what she wants. She never wants anything. All she wants to know is where I am.

When I come back to play the kids always ask me what Grandma was yelling about. I have to tell them nothing and this makes it look like she's crazy or I'm an infant.

Can you help me with my problem? I'm 11 years old. Thank you. — CALLED BUT NOT WANTED.

Dear Called: Before you go out to play, tell Grandma where you are going and ask her please not to call you because it's embarrassing. Tell her exactly where you will be and suggest if she gets worried to come out and take a look.

CRUCIBLE FUND DONATION. Guy F. McCracken, left, works manager of the Crucible Steel Co.'s Midland plant, presents a \$7,500 contribution to the East Liverpool United Fund campaign. Receiving the check is Sidney C. Porter, vice president of the Globe Brick Co., near Newell, and Industrial Division chairman in the drive. James J. McGowan of East Liverpool, center, campaign chairman, looks on. The gift, along with an anticipated \$24,000 through payroll deductions of East Liverpool area residents employed at the Midland Works, will help meet the \$125,000 goal.

W. Va.'s Baptist Convention Hits Liquor-By-Drink

FAIRMONT (AP)—The West Virginia American Baptist Convention says it opposes any move to bring liquor by the drink to the state, but on another front has called for "genuine Christian love" to prevail in racial issues.

The convention adopted several resolutions at the close of its annual meeting here Thursday and elected the Rev. Dr. William Haylor of Clarksburg as its new president.

Any move to liberalize West Virginia's liquor law would be met with strong opposition, the group declared, including a step by state government to "authorize sale of beer in state parks."

In a resolution covering race relations, the convention urged "every Christian to deal with

the matter... in genuine Christian love, including the application of the Golden Rule."

The resolution added that "real efforts" should be made "toward the ideal of employment, housing, educational and other opportunities in our society without distinction or hindrances due to race or color."

Another resolution asked the state legislature to revise the Sunday closing law to make it easier for those counties which devoted not to be covered by the law to hold other elections in efforts to vote the Blue Law back in.

IRS Eyes 2 Deposit Boxes To Collect Tax

CLEVELAND (AP)—The Internal Revenue Service, trying to collect an unpaid \$127,000 tax bill here, sought court permission Thursday to open two safety deposit boxes they say might contain cash.

The boxes at National City Bank of Cleveland belong to Charles A. Polizzi, 71, a Cleveland gambling figure who disappeared two years ago. The government says Polizzi owes \$87,000 in unpaid taxes, plus \$40,000 interest.

Canvass Set At Lisbon For MD Program

LISBON — The Key Club of David Anderson High School will conduct a door-to-door canvass here Sunday afternoon for the Columbiana County unit of the Muscular Dystrophy Association of America, Inc.

President William McDevitt says members will meet at 1 p. m. at the Village Hall to receive supplies and assignments from Harry Glaven of East Palestine, campaign chairman, and Mrs. Ruth Jenkins of Rogers, unit treasurer and patient services chairman.

Donald Smail of the Lisbon Salesbook Co. is Lisbon chairman for business and professional people. Letters will be mailed Monday and coin containers will be placed in stores and offices.

Chairmen or volunteers are needed for Wellsville, Salineville, Leetonia and Washingtonville. Mrs. Jenkins said anyone willing to help may call her at Rogers 227-3030.

The county MD unit will hold its regular meeting at 7:30 p. m. Monday in the McKinley Room at VFW Post 4111 on E. Lincoln Way.

IS CABLE TV...

ENTERTAINER?

GOOD CITIZEN?

EDUCATOR?

BUSINESSMAN?

YES!

Cable TV is all of these — and more. IT can bring you world events as they happen... the best network shows... in important area happenings... the finest educational programs. It can even serve as a communication center if there's ever trouble in our area.

Cable TV overcomes distance, obstructions, and atmospheric disturbances to bring vivid color and black and white pictures into your home. You need no antenna. You enjoy more TV channels, more choice of programs than you ever thought possible... even UHF without a converter.

Here's how. At a high point in our community (Pleasant Heights) a TV antenna picks up signals from area and distant stations. These signals are processed to eliminate interference and make every channel as clear and perfect as possible. From the antenna site the signals are carried via cable on telephone poles directly to your home, you receive excellent pictures day and night, 365 days a year, year after year.

Cable TV is local business. It stimulates local sales. It hires local people and pays its way with taxes. Result? Increased public services without increased taxes.

Out Of The Air

By HAL HUMPHREY

Is The TV Season Fixed?

Bill Dozier, whose current claim to fame is the bringing of "Batman" to TV, would like it known he also has higher aspirations.

He tried valiantly, he says, to interest the networks this season in another TV series. It was called "The No. 1 Nonconformist," a title in itself much too daring for TV's conformism; and, as might be expected, all three networks turned it down.

Hal Humphrey

"THEY SAID, 'Yes, it's good, but would this kind of show get an audience?' and that was that," reports Dozier. "I even had to star for it, but the answer still was no. They wouldn't go for it because all three of them are greedy for ratings."

The pilot script for "The Nonconformist" was a generally solid story dealing with a humanities teacher at a private girls' school and a particularly sensitive confrontation with one of her students who had tried to frame herself into being expelled.

It smacked a little of "Mr. Novak," the teacher series carried by NBC a few seasons back, but that is no crime except for the fact it never had the rating of "Beverly Hills."

DOZIER TAKES a cynical view of the dark kicked up by the networks' hosannas of plans for "Meaningful dramas" in the coming months.

He insists it is only an attempt on the networks' part to atone for the high ratings, big circulations and high profits—a rushing to Jordan to wash away the guilt—and in no time at all they'll be back doing business at the same old stand of cheap quiz shows, low comedy, etc., exclusively.

"There are no new drama series on the weekly schedules for next season, and 'Theater' remains the only one on the air in the anthology category. I'll even bet you there won't be a 'Stage 67' on ABC next year," Dozier predicts.

He could be right. The first national Nielsen of the new season (which the industry equates with the 10 Commandments) had "Stage 67" rated so low at 12.2 that only five other shows are below it—"What's My Line?," "12 O'Clock High," "Garry Moore," "CBS News Hour" and "Telephone Hour."

DESPITE its tacit word to executive producer Hubbell Robinson that "Stage 67" would continue next season, ABC undoubtedly is going to take another look at the situation now.

Should the series continue to rank that low on the Nielsen scale, ABC will be sorely tempted to cop out on the whole deal on the cliché grounds of "gee, fellows, we tried to give 'em something meaningful, but the public rejected it."

To establish a series like "Stage 67" which brings to view a different kind of show each week, will require at least a full season and lots of explanation.

Fines Total \$7,146

For 3 County Courts

LISBON — The three Columbiana County courts at Lisbon, Salem and East Palestine collected \$7,146 in fines and costs during September, according to Clerk of Courts Carl L. Stacey.

He said the county treasurer received \$4,800, while the state treasurer received \$2,048, representing 45 per cent of fines in State Highway Patrol cases.

The sheriff, constables and city police received fees totaling \$298.

Stacey said 280 criminal cases and 124 civil cases were filed last month in the three courts.

Carl Weis Will Speak At Adventists' Rally

Carl C. Weis of Washington, D. C., secretary of the lay activities and Sabbath School departments of the Columbia Union Conference of Seventh-day Adventists, will speak at a district meeting Saturday at the East Liverpool Seventh-day Adventist Church at 11:30 a. m., 2 and 7 p. m.

He is a long-time missionary to the South Pacific and Australia.

Weis directs all laymen's activities of Adventists in seven eastern states — Pennsylvania, New Jersey, Ohio, Maryland, Delaware, Virginia, West Virginia and the District of Columbia.

Born in Leader, Saskatchewan, Canada, Weis was graduated in 1937 from Canadian Union College, Alberta, Canada, as a theological major. He began his work for the church at Nelson, British Columbia, as a ministerial intern. For six years he did pastoral - evangelistic work in western Canada before accepting a call as president and laymen's secretary of the Newfoundland Mission.

In 1949, he accepted a call to be the Home Missionary and Sabbath School secretary of the Canadian Union Conference of Adventists in Oshawa, near Ontario, Canada, a post he held for three years. In 1952, he accepted a call to a similar post

CARL C. WEIS
Speaker For District Event.

with the Australasian Division of Adventists, near Sydney. He served in the capacity for eight years and returned to the United States in 1960. He then served as a pastor of a local church in Oregon before accepting his present job.

Directing his program here will be Harold Flynt, pastor of the East Liverpool district, which includes the Salem, Steubenville and Carrollton churches in addition to the local church.

Mother Of Three Killed As Train Smashes Into Car

By The Associated Press

A train bearing down on a crossing in Cuyahoga Falls smashed into a car, killing a young mother of three, one of Ohio's latest traffic victims.

The dead: Mrs. Patricia Ann Sesic, 29, Cuyahoga Falls.

Victor Koller, Cincinnati.

Mrs. Sesic, a mother of three, was driving alone in Cuyahoga Falls Thursday night when her car was struck by a Baltimore & Ohio freight train crossing.

Witnesses told police the flashers were working and that the train sounded its whistle several times.

Koller was riding in a car near Cincinnati's suburban Ter-

race Park when it tipped over and burst into flames after running into a ditch. Injured in the Thursday night crash was Joseph E. Sparrow, 22, Cincinnati, who was hospitalized in serious condition.

4th Annual Event

Tamburitzans Announce Sunday Concert Details

Sylvester Vranes, president of the Midland St. George Serbian Orthodox Church congregation, will be master of ceremonies Sunday at 3 p. m. when the St. George Tamburitzans present the fourth annual concert at the Lincoln High School auditorium.

The invocation will be by the Very Rev. Milord Dobrota, pastor.

Part One of the program presents the St. George Tammies under the direction of Donald Knezevich with choreography by John Srsic in "Makedonsko Kolo," with Michele Ann Meriague and Nadine Vuyovich, flutes, a David Frable, clarinet soloist; "Kalesh Doncho" — Dark Doncho, with a duet by Nadine Vuyovich and Michele Ann Meriague.

"Lenche, Bre Dusho-Lenche, My Darling," with a duet by Diane Page and Nadine Vuyovich; "Suite of Dances From Bulgaria," by the Senior dance ensemble; Becari's "Na Kraj Sela — On The End Of The Village," Bob Vranes, soloist; and "Moravac-Kolo," combo; "Splet Pesa Ma Iz Gruzha," by the Girls Chorus with soloists Nadine Vuyovich and Michele Ann Meriague.

"Suite of Serbian Dances From Shumadia," by the Intermediate Dancers; "Ero S'ono-

ga Svijeta—Finale of the comic opera "Ero, the Joker," by orchestra; "Svatovac — Wedding Song," combo with Michael Roknich, soloist; and "Suite of Croatian Dances From Baranava," by the Senior Dance Ensemble.

Part Two features the Ambridge Junior Tamburitzans directed by Walter Roncevic with choreography by Tom Veselich in "Pjesma Tamburasha — The Song of Tamburitzans," choral; "Slavonsko Kolo — Kolo from Slavonia," by Dance Ensemble; "Lavadica Svud Okolo Zhica," with solo by M. Manojlovich; "Of Lege, Lele and Chachak," song and Kolo.

"Kolo Iz Leveha," by P. Roncevic on accordion; "Polka Set," combo; "Bleda Djeva," with a duet by Celine Vukovcan and Judy Russ; "Shining Moon," with solo by Jim Roncevic; "Ukrainian Dance," by Dance Ensemble; and "Pjesma Tamburasha," a choral number.

Part Three by the St. George Tamburitzans concludes the program with "Maria," a Norwegian Folk Song, with a duet by Diane Page and Michael Roknich; "Nema Nista Lepse — There Is Nothing More Beautiful," a song from Dalmatia, with a duet by Michele Ann Meriague and Nadine Vuyovich; "Zorba, the Greek," arr. Knezevich, from the original soundtrack of this motion picture, by the orchestra; and "Suite of Serbian Dances From Nishava Valley," by the Senior Dance Ensemble.

Following the concert a dinner at the nominal price for adults and children will be served in the Serbian National Home. Dancing will follow there at 7:30 p. m. to music by the Balkan Strings Tammies of Youngstown, Ohio.

Ohio Helicopter Pilot Killed In Viet Combat

COLUMBUS, Ohio (AP)—An Army helicopter pilot who had won numerous medals, Capt. Harry T. Whetzel, 32, of Columbus, has been killed in Viet Nam combat while on an extra mission for which he volunteered after his regular tour of duty expired Sept. 29.

Capt. Whetzel, who served in the Korean War, and all aboard his 'copter perished Friday when shot down over the demilitarized zone, relatives were informed. He leaves a widow and daughter here.

Another Ohioan reported Thursday as killed in action in Viet Nam was Marine Cpl. Brian D. Clark of Cleveland Heights.

Boyd Blasts County Home Farm Output

Charges of declining production and increased expenses at the Columbiana County Home and waste of some harvested items were leveled today by County Commissioner James Boyd.

Boyd said approximately half of the 400 bushels of apples at the home rotted in storage and a large amount of potatoes spoiled and carrots sprouted, and two barrels of pickles were a total loss "due to neglect."

The commissioner said the farm shows less production than when Russell Phillis was supervisor.

He said the dairy herd was built up and production of milk reached 37,393 pounds in October — the month Phillis was removed from his post. Boyd said Phillis raised and put up 15,000 bales of hay and 5,000 bales of straw, harvested 4,000 bushels of oats, 800 of wheat and 2,000 of spelt.

After Robert Boyce became superintendent, the milk production was 36,117 in November and 37,419 in December.

Three cows have been lost to the herd, and the milk production in July was 20,347, August 21,035 and September 19,603. The farm has harvested 800 bushels of wheat and 2,500 of spelt — planted under Phillis' administration.

"This year, the farm has put up 8,000 bales of hay, some of it apparently been fed," Boyd said. "And 2,500 bales of straw, 1,500 bushels of oats and the potato crop is a failure."

Boyd said the home's cemetery has been neglected and allowed to become weedy.

The amount of money spent for the operation of the home from all available funds designated at the beginning of 1965 was \$182,675. For the first nine months of this year, the funds have amounted to \$184,396, he declared.

Program On Creative Arts Marks Camp Fire Workshop

A three-part program based on the theme "Spotlighting the Creative Arts" featured the annual project workshop of Kinoka Council of the East Liverpool Area Council of Camp Fire Girls Wednesday at Bryan Recreation Center in Dixonville.

Refreshments were served by Mrs. Alice Diddle, Mrs. Almada Smith and Mrs. Bessie Wathey.

Mrs. Larry Walton, council president, directed the opening phase on "Exploring the Arts"—music, drama, writing, photography, dance, etc.

"Living the Arts" was conducted by Mrs. Dan Henderson, administrative secretary, who presented exhibits and patterns showing how to coordinate the project.

Mrs. Arthur Eddy, program chairman, discussed "Celebrating The Arts," the final phase of the festival of arts to be held in March at Westgate School, when each group will exhibit completed projects of their creative art.

Camp Fire Girls completing all the requirements will receive an emblem to be worn on the ceremonial costume. Those completing but one phase of the project will be permitted to wear a charm.

Thirty leaders, assistants, training and program committee members and sponsors attended the event.

Mrs. Harry Faulk, president of the Leaders Association, announced a basic training course will be offered Nov. 2 from 9:30 until 11:30 a. m. at the Bryan center. Objectives of the Camp Fire Girls program will be discussed.

The local council will be represented by Mrs. Eddy during the third annual district workshop for adults Oct. 25 at Weirton. She will serve as a moderator for the "buzz session" on Jr Hi and Horizon Club work. The theme for the rally will be Program and Public Relations."

City Merchants Group Will Air Yule Program

Plans for the annual community Christmas program will be discussed at a meeting of the East Liverpool Merchants Association Tuesday at 9:30 a. m. in the Chamber of Commerce office.

A representative of the Jaycees will report on preparations for the Christmas parade, which the organization arranges in cooperation with the businessmen. The parade traditionally is held at Thanksgiving time to welcome Santa Claus to the city and mark the opening of the holiday shopping season.

Other reports also will be presented at the monthly session. James A. Locke Jr. is chairman.

Committees Selected For LaCroft PTA

Committees for the 1966-67 term were appointed when the LaCroft PTA met Tuesday night.

They include: Membership, Mrs. Jane Scott and Mrs. Dorothy Hales; hospitality, Mrs. Theresa Sell and Mrs. Pat Williams; publicity, the Rev. B. E. McDonald and Mrs. Nelma Czech; ways and means, Herbert Hackney and Mrs. Erla Merriman; program, Mrs. Darlene McAllister and Mrs. Janet Poole; chairman of homeroom mothers, Mrs. Ione Pierson; city federation, Mrs. Verna Thorne and Mrs. Dorothy Potts; playgrounds, Homer Cronin, Jim Cunningham and Joe Patts.

Donald Adams, president, presided.

Paul Tilton discussed fire prevention and Mrs. Robert Schlang gave a brief resume of the work of the area Camp Fire girls. She said more volunteers are needed to assist with the program.

Harry McConville, a member of the board of education, discussed the proposed 3.5 - mill school tax levy which will be on the Nov. 8 ballot.

Miss Sherry Thorne presented a piano solo.

The first grade room of Mrs. Margaret Roush won the attendance award.

It was announced that the school carnival will be held Nov. 12.

Refreshments were served by Mrs. Margaret Young and Mrs. Norma Mason.

CD Unit Here Plan Meeting

A general business meeting of all units of East Liverpool Civil Defense will be held Tuesday at 7 p. m. at City Hall, Dennis Smith, director, has announced.

The training class session will be held Oct. 25, at which time lessons seven and eight of law and order training for CD emergencies will be taught by Patrolman Orin Smith. A movie on traffic control also will be shown.

Five new members accepted into the group are James Potts of Wellsville, public affairs division; George Mellinger of Newell and Morris Briggs of East Liverpool, rescue team; and Mr. and Mrs. Oley Evans of Wellsville, police team.

The land rescue team will hold training every Wednesday at 7 p. m. at the water works in East End, with John London in charge.

The rescue units of the CD are displaying equipment, including a radiological kit and sanitation kit, at the LaCroft fire hall in keeping with Fire Prevention Week.

Veteran Actor Clifton Webb Claimed At 69

BEVERLY HILLS, Calif. (AP)—Imperious dignity and an urbane, witty style were actor Clifton Webb's trademarks in a career that spanned singing as a child, dancing, Broadway, intimate comedies and countless movies.

Webb, 69, died Thursday night of a heart attack at his home. Webb's secretary, Helen Matthews, said she was with the actor when he died. She said he suffered for some time with a heart condition.

Webb's Broadway shows included "Oliver Twist," "Meet the Wife," "As Thousands Cheer" and "You Never Know." Webb later shifted from musicals to drawing room comedies, including those written by his close friend Noel Coward, "Blithe Spirit" and "Present Laughter."

In 1944, Webb made a brilliant motion picture debut as the acid-tongued critic in "Laura."

He followed his success with "Dark Corner" and "The Razor's Edge" then made his greatest hit as the imperious babysitter, Mr. Belvedere, in "Sitting Pretty."

The actor, who never married, managed a convincing performance as the father of 12 in another hit, "Cheaper by the Dozen."

He was nominated for best supporting actor of 1944 for his role in "Laura" and in 1946 for "The Razor's Edge."

Chester Seeking Applications For Sewage Plant Job

Applications are being sought by the Chester Water and Sanitation Board for the post of sewage plant operator.

Kenny Williams resigned from the job Oct. 7 to return to work at the Globe Brick Co.

Mayor Burton Ward said the post pays \$4,800, with an increase to \$5,200 when the worker gets proper classification.

Applications may be made prior to Nov. 5 at the water office at the City Hall. The board hopes to fill the position at its meeting Nov. 7, the mayor said.

Burke Plays Important Role . . .

At Baldwin-Wallace they say, "although at 5-6 and 155 pounds he is light for a middle linebacker, his size has not stopped him". They're talking about former Potter fullback Denny Burke, a sophomore at the Cleveland area school.

Burke is an important cog in a stout Baldwin-Wallace defense which is second in the Ohio Conference in defense giving up only 81.5 yards per game and an outstanding total of only 12 yards per game rushing.

The Yellow Jackets, ranked No. 1 in offense among the nation's small colleges, have rolled over three straight opponents. B-W has averaged 570 yards total offense per game.

Burke is the son of Mr. and Mrs. Ted Burke of 2231 St. Clair Ave.

MIKE KRIVOSHIA

Krivoshia Sets Indiana U. Mark . . .

FORMER Midland High great Mike Krivoshia had his day at Indiana University last Saturday.

As Indiana gained a 7-7 tie with Minnesota, Mike rewrote the record book for the Hoosiers. The 215-pounder scored Indiana's only touchdown, plunging from the one, and carried the ball 30 times for 141 yards, breaking the Indiana school record of 139 set by Gene Gedman against Iowa in 1952.

Miami (Fla.) University scout Harold Allen claimed Krovoshia was the best fullback he had seen so far this season. Miami and Indiana meet in the Orange Bowl next Friday, Oct. 21.

Krivoshia, a junior at Indiana, drew high praise from his coach John Pont, who called it the best performance by Krivoshia since he arrived in Hoosierland.

Mike saw only limited action as a sophomore, being slowed part time by injuries.

Stanton's Stock Should Rise . . .

WE AGREE with a Stanton Local fan that the team deserves a higher rating than it received in last week's Associated Press Class A poll.

However, if it will help any there may be an explanation for the 14th rating. Actually the Class A poll last week was the first of the season. Stanton received 10 points and this was possible since The Review voted Stanton No. 1 among the Class A schools. We support area teams when Stanton merited. Being undefeated and having outscored its opposition 92 to 12, is certainly deserving.

We feel Stanton is the best Class A team in the area, unless proven otherwise.

We feel certain that in next week's poll Stanton will gain more support, possibly enough to put the Red Raiders in the top 10.

A Little Bit About Bruno . . .

A LITTLE bit about Larry Bruno, the home town boy who will bring a fine Beaver Falls football squad to Patterson Field Saturday night.

Larry has a very enviable record in the coaching ranks. He started his career at Monaca High, where his team won 52, lost 33 and tied 6. Moving to Beaver Falls in 1959, he since has compiled 50 wins, 21 losses and 3 ties going into Saturday's game against his alma mater.

It took him only one year to develop a WPIAL championship team when Beaver Falls won the 1960 crown, with Joe Namath, the New York Jets \$400,000, star, at quarterback.

In 18 seasons as head coach, Bruno experienced only five losing campaigns.

80 Gridders With Scholarships . . .

Since Bruno has been at Beaver Falls more than 30 boys have received athletic scholarships. From this number, 15 currently are coaching and 25 are in the teaching profession.

At East Liverpool, Larry was a recipient of the Bill Booth Award, which goes annually to the outstanding member of the football team.

He went on to become one of the leading scorers in Pennsylvania college circles, performing for Geneva College in 1946. Following a great year, he was selected on the East squad for the annual Shrine game at San Francisco.

The following year he had a tryout with the Pittsburgh Steelers under Jock Sutherland. He made the Steelers that year, but gave up the pro game when he followed an ambition to get into coaching which was offered him at Monaca.

He is married to the former Virginia Winters of East Liverpool. They have a son Larry, who is attending Youngstown University, and a daughter in the seventh grade.

Follow The Bouncing Ball . . .

EIGHT OUT of 12 was our best percentage to date in the business of predicting which way the ball will bounce on the local high school gridirons.

We want to say here that we haven't minded at all being wrong on the outcome of the East Liverpool games for the past two weeks. The Potters have been playing their best ball and seem to perform well in the role of underdogs. Beaver Falls shapes up as the best the Potters will face and Bruno should be going all out to win in his home town. For the third straight

McNea Rates Beaver Falls Strongest Foe

Tigers Favored At Homecoming Bruno Impressed

By Potter Speed

Potter coach Bob McNea makes no bones about it when he states that Beaver Falls will be the strongest team East Liverpool has met this season.

"Beaver Falls has a fullback that runs like Jimmy Brown, by far the best quarterback we have faced and a very strong line," McNea said.

The fullback is Herb Braxton, a 195-pounder, who is very hard to bring down and has averaged 110 yards rushing per game. The quarterback is Bill Ross, who has thrown for five touchdown passes in five games.

Coach Larry Bruno of Beaver Falls looks at Saturday night's game as "a close one." Bruno said "I look for both teams to score. I feel East Liverpool is well coached and they have more speed than we do."

BRUNO was especially impressed with quarterback Mike McVay and the speed of halfback Darryl Herring.

"We tackle hard and I feel our boys did a good job against Butler last week. We reached our peak," Bruno added.

The former East Liverpool grid star rates his co-captain Ken Shumaker, 180-pound senior center and linebacker, as one of the best high school line-backers that can be found.

BOTH TEAMS will enter the contest with identical 4-1 records and both are currently riding three game winning streaks.

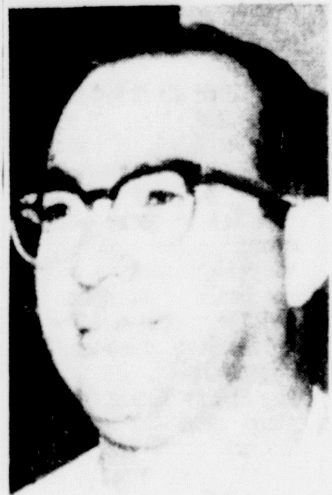

Beaver Falls, the 1960 WPIAL champion, has been defeated only by Sharon in a 16-13 loss.

East Liverpool should be leery of Pennsylvania teams since Midland is the only team to hold a decision over the Potters this season.

McNEA reported only junior guard Bill Hopper still hobbled by an ankle and knee injury suffered in the Akron East game last week. If Hopper can't start he will be replaced by Bob Tolson who would play both offensively and defensively. Hopper has not practiced this week.

No other changes have been made in the Potter lineup and McNea plans to use his backs the same way as last week. Bill Jones will be at fullback alternating there with Jim Musuraca while Musuraca and Denny Smith will alternate at halfback.

THE POTTERS stopped the speed of Akron East holding the

LARRY BRUNO
Looks For Close Game.

visitors scoreless for three and a half quarters but this week must face a strong running fullback and the threat of a good passer.

McNea announced the top players from last week's victory with Hopper winning both the offensive and defensive line-man citation.

McVay and Herring shared the offensive back honors while Dan Bekar was named defensive back of the week.

Steelers Will Start Izo At Quarterback

PITTSBURGH (AP)—George Izo will start at quarterback for the Pittsburgh Steelers in their National Football League game with the Philadelphia Eagles at Pitt Stadium on Sunday.

Coach Bill Austin made the announcement Thursday. Izo will be the third starting quarterback for the Steelers this season.

Bucks Seek Upset Against Spartans

COLUMBUS, Ohio (AP) — loser dropping out of the league chase.

Kent, 1-3, already an also-ran entertains ambitious Western Michigan, 3-1, and fresh from an upset over BG.

Ohio State comes to grips with Michigan State, the nation's No. 1 ranked football team, in a clash expected to draw 84,000.

The Bucks face the dreary prospect of losing a third straight game for the first time since the 1943 season.

Hayes has his team in good physical condition and will need a super effort to upset Coach Duffy Daugherty's smooth machine.

Miami (4-0) should have little trouble disposing of Marshall in a Mid-American Conference contest but could stumble while looking ahead to next week's skirmish with Ohio University.

The Bobcats, seeking their fourth straight victory, engage Xavier and quarterback ace Carroll Williams at Cincinnati. The Musketeers are capable of pulling an upset.

Dayton, 3-1, plays host to Buffalo, a team that whipped Kent State earlier this season. The Flyers haven't won four games since 1956.

In other top Mid-American Conference attractions, disappointing Bowling Green, 1-2, plays at Toledo, 2-2, with the

Walker Gets 3 TD's For Westgaters

Joe Walker, a tackle up until three days ago, started at halfback and responded by scoring all three touchdowns as Westgate posted an 18-6 victory over Canton McKinley Thursday at Canton.

McKinley scored first with 1:55 left in the second period but Westgate tied the game before halftime when Steve Powell passed to Walker on a play covering 65 yards.

After a scoreless third period, Walker registered two touchdowns in the fourth period on runs of six and two yards.

Westgate had another touchdown called back when Jim Freeman went 15 yards but a penalty nullified the run.

The victory boosted Westgate's record to 3-1-1.

Coach Joe Chontos cited the play of Bob Stoddard, a defensive tackle, Lou Volino and Walker.

The Wildcats play next Thursday at Salem.

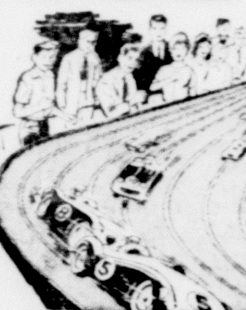

Westgate's eighth grade team defeated Steubenville, Grant Tuesday, 27-22 with Joe March scoring three touchdowns on long runs. Randy McVay also added a TD.

Placed On Waivers

DETROIT (AP)—Bill Buntin, former Michigan star who signed a reported \$30,000 two-year contract last year as Detroit's No. 1 draft choice, was placed on waivers Thursday by the National Basketball Association team. "He just didn't fit into our plans," said players-coach Dave DeBusschere of the 6-foot-7, 230 pound center.

Cowboys Have Explosive Offense

Dallas, St. Louis Battle For First Place In East

By HAL BUCK

Associated Press Sports Writer

The fired-up Dallas Cowboys, with quarterback Don Meredith stoking their air-minded offense, challenge St. Louis for the National Football League's Eastern Conference lead Sunday in a battle of unbeaten.

In the American League, the Houston Oilers attempt a last-ditch stand, hoping to prevent a New York runaway in the Eastern Division race, when they host the streaking Jets.

The Cowboys would seem to have a better chance at succeeding than their neighbors from Houston. Dallas (4-0) is a dangerous.

Meredith runs the NFL's most explosive offense. The Cowboys lead the league with 183 points in four games — an average of

45.8 per game. They have scored 10 of their 25 touchdowns from farther than 20 yards out.

The Cardinals, who have won five straight, have rallied after half time in four of their victories. Billy Gambrell has been the quarterback Charley Johnson's top receiver lately with four touchdowns in the last three games. But Sonny Randle and Bobby Joe Conrad are just as dangerous.

The Oilers (2-3) must depend on veteran quarterback George Blanda to pull them out of a three-game tailspin. But New York's front four of Verlon Biggs, Jim Harris, Paul Rester and Gerry Philbin gave Blanda fits the last time these two teams played.

Blanda and Kansas City's Len Dawson lead the AFL with 13 touchdowns passes, four more than New York's Joe Namath. But the high-priced Jet pitcher hurled five of his TDs against the Oilers in that first game.

New York is 4-0-1 and already holds a hefty edge over Boston (2-2-1), Buffalo (3-3) and Houston in the Eastern race. Miami is 0-5. Another Jet victory could make the lead too much for the Oilers to overcome.

Elsewhere in the AFL Sunday, Oakland plays at Kansas City, San Diego visits Buffalo and Denver is at Miami.

In the National League, Detroit takes on Baltimore. Green Bay visits Chicago, Los Angeles is at Minnesota, Philadelphia plays at Pittsburgh, San Francisco visits Atlanta and Washington is at New York.

Kansas City, at 4-1, is tied with San Diego for the AFL's Western Division lead.

Mich. State Can't Go

Michigan, Purdue Appear Logical Rose Bowl Teams

By MIKE RECHT

Associated Press Sports Writer

For Michigan, the football season does not begin until Saturday, but if the late start is successful, it could mean the Wolverines will be playing in January — in the Rose Bowl.

Michigan actually has played four games, losing two, including a 20-7 defeat by Michigan State, but the Wolverines hopes for a bowl bid are tied to their clash Saturday with Purdue, another bowl hopeful.

"As far as the team's concerned," says quarterback Dick Vidmer, "this year's season begins Saturday."

"We're still in this thing to go to the Rose Bowl," said line-backer Frank Nunley. "If we beat Purdue, we think Michigan State can beat them, too. We have to win all the rest, though."

Michigan and Purdue are the most serious of the Rose Bowl contenders, although Michigan State, ranked No. 1 in the country, is the pick to grab the conference championship. But the Spartans went to the bowl last year and are ineligible this season.

Purdue, No. 9, is 1-0 in the conference and Michigan 1-0, but the Boilermakers must meet the Spartans a week from Saturday.

The meeting is not the only one Saturday that could lead to a bowl bid. Alabama, ranked third and gunning for a third straight national championship, opposes probably its toughest competition in Tennessee, which has eyes on the Tide's Southeast Conference crown.

Ken Stapler, the nation's hottest passer with 25 completions in 32 tries for 348 yards and five touchdowns, will try to crack the Volunteer defense that has allowed only nine points on three field goals. Tennessee also can throw with Dewey Warren, who has completed 47 of 76 passes for 538 yards and five scores.

East Junior Edges Salem With Late TD

East Junior High broke a 14-14 tie in the last four minutes then held off a serious threat in the closing minutes to post a 20-14 victory over Salem Thursday at the East Junior gridiron.

Greg Yanni fired a touchdown pass to Steve Golden on a play covering 40 yards for the winning score with only four minutes left in the game.

After taking the lead Salem marched to the East seven where the Panthers defense stiffened and held for four downs.

Salem held a 14-8 lead at half-time with Rick Welsh scoring East's only touchdown of the first half on a 50 yard dash with Steve Williams adding the conversion. East tied the contest at 14-14 in the third quarter when Williams scored from six yards out.

The victory leaves East with a 3-1 record.

Coach Don Charlton cited the outstanding performance by defense end Jim Parsons.

The Panthers play next Friday at Springfield Local in Mahoning County.

Southern Frosh Score 20-0 Win

Southern Local's freshman team limited Wellsville to seven yards to score a 20-0 victory Thursday at Southern.

The win was the second in three games for the Southern eleven.

Southern scored on a two yard run by quarterback Tim Leek, an eight yard rush by Bob Fleton and George Thompson's three yard run.

The young Indians gained 180 yards to Wellsville's seven.

Southern returns to action next Thursday playing host to Leetonia.

Pittsburgh Given Soccer Franchise

PITTSBURGH (AP) — Big-league soccer will make a home in Pittsburgh.

Peter H. Block, spokesman for an 18-man group of backers, said Thursday the 12-team National Professional Soccer League has agreed to make Pittsburgh a member.

Other teams in the league, which is scheduled to begin play next year, are New York, Philadelphia, Boston, Washington, Atlanta, St. Louis, Chicago, Los Angeles, San Diego, Toronto and Hartford, Conn.

Block, who is also vice president and treasurer of the city's new National Hockey League franchise, said the soccer club will play its home games at Forbes Field until the new North Side stadium is ready.

Ted Williams, 43, Divorced By Wife Lee

MIAMI, Fla. (AP) — Ted Williams, Hall of Fame baseball star who made \$100,000 a year before retirement from the Boston Red Sox in 1960, has been divorced by his wife Lee, a former model.

ANNOUNCEMENTS

3 CARD OF THANKS

THE family of the late William T. Beebout wishes to extend thanks to all the friends and neighbors for their kindness in the way of cards, floral tributes and all other acts of thoughtfulness extended to us during our recent bereavement. Special thanks to the Rev. B. E. McDonald, American Legion Post 121 and the Amer. Funeral Home, Mrs. Judith Beebout and Family, Mr. and Mrs. Charles L. Beebout, Brothers and Sisters.

WE wish to thank all our friends, neighbors and all those who donated cars, food and flowers. Special thanks to Dawson Funeral Home and John Payne, Pastor Ralph Palmer, Pastor Geo. Gad, Maurice, and all the bearers for their kindness during the death of John Robert Boswell, M. & Mrs. Harley Brewer, the Boswell Family and Louis Schmitt.

Junior Editors Quiz on CALORIES

QUESTION: What is a calorie and how is it measured?

ANSWER: Calorie comes from the Latin calor or heat, and so a calorie is a unit used to measure an amount of heat. Used in chemistry, it means the amount of heat energy needed to raise the temperature of one gram of water by one degree centigrade. (Centigrade is a different scale of temperature from the one used in household thermometers, which is Fahrenheit.) Calories used in this way are called small calories. The most familiar meaning of the word calorie refers to a unit of measuring heat energy in food. This is the large calorie, the approximate amount of heat needed to raise the temperature of one pound of water four degrees Fahrenheit. It is said that about 100 such calories would give a person the energy to climb a hill about 1,640 feet high. This energy comes from certain foods such as carbohydrates and fats which act as fuel in the human body. The heat is produced by the union of the food with oxygen. A list of the foods supplying this heat energy would include cornstarch, sugar, flour, butter, margarine, lard and various oils.

FOR YOU TO DO: Use some of your calories to take a good long walk — but don't try climbing rock faces like the trained mountaineers in our picture.

Thomas Rouleau of Beverly, Mass., wins today's combined prize of Compton's Illustrated Science Dictionary plus \$10 cash for this question. Mail yours on a postcard to Junior Editors in care of The Review.

McKenna Speaks On Water, Sewer Plans In County

LISBON — William McKenna, who spoke to local Kiwanians 21 years ago as a young engineer, was the club's luncheon speaker again Thursday at the Daughters of America hall.

A member of William E. Quicksall & Associates of New Philadelphia, he told of the firm's study of Columbiana County water and sewer problems outside municipalities — a \$65,000 preliminary plan authorized by county commissioners nearly two years ago.

The preliminary report, completed last summer, is awaiting approval of the Federal Housing and Home Finance Agency office at Chicago.

ONCE APPROVAL is received, commissioners will be able to select one or two of the several proposed water-sewer projects and authorize preparation of construction plans. Not more than two projects will be undertaken at the same time.

McKenna said the highest priority area is north and east of Salem. The report recommends the construction of a new sewage treatment plant and a new collection system to discharge into that plant, he said.

The report covers Guilford Lake and areas adjacent to Columbiana, Leetonia, East Palestine, Lisbon, Wellsville and Sallineville.

McKenna said the East Liverpool area is a year or so ahead of the rest of the county. George Bloomgren, city engineer, was hired for planning when a water and sewer district was established there and has completed plans for water and sewer systems for Glenmoor, Calcutta and LaCroft, McKenna pointed out. County commissioners have made application for a federal grant for construction of the water distribution system.

McKenna would not estimate costs of individual projects in the report, but he did say the total will be over \$5 million.

He said county commissioners indicate it is unlikely they will proceed with any of the pro-

posed projects unless federal assistance is obtained.

A NATIVE of Lisbon and village engineer during construction of the village sewage treatment plant, McKenna discussed the proposed Lisbon water and sewer district in detail.

He said the village treatment plant was designed to take care of a population of 5,000 and could handle the discharge from additional sewer lines.

Two collection systems will be required — south-east, to serve Jordanville, Black Rd., Brookfield Ave. and Route 30 to Green Hill, and north-east to serve developments along Route 45 and 164.

Each system would require a lift station and each would discharge into the village intercept or sewer just ahead of the pumping station.

Lisbon's wells provide a water supply sufficient to accommodate a proposed extension to the southeast and northeast, McKenna said.

The plan proposes construction of an elevated reservoir or standpipe on village-owned land along Route 45, north of Lisbon. This would serve Lisbon's "hill area" and proposed extensions north and east. The present reservoir on the hill south of Lisbon would serve the rest of town and proposed extensions south and east.

When the report is approved and construction plans and costs have been completed, commissioners will make application for a federal grant which does not have to be repaid, McKenna said.

McKenna was introduced by John Ebert, program chairman for October. President Cornell P. Monda presided. Dan Myers led group singing, with Fred Shultz at the piano.

Guests included Edward C. Greenmyer of Leetonia, D. Barry Dickson of East Palestine, J. L. Morrissey of Lisbon and William McDevitt and Ashley Pike of the Key Club at David Anderson High School.

New Officers Are Selected By Area Farm Women's Club

Mrs. Susan Huff was elected president of the Asbury Farm Women's Club during an all-day meeting Wednesday at the home of Mrs. Lucinda Oyster of the Allison School Rd.

Mrs. Margaret Wise, outgoing president, conducted the business session.

Other new officers include: Vice president, Ms. Elsie Wine; secretary, Mrs. Nora Chapman; treasurer, Mrs. Alta Lockhart.

Committee chairmen appointed include: Better living project, Mrs. Wine; cultural advancement, Mrs. Huff; health, Mrs. Hazel Kidder; international relations, Mrs. Chapman; social,

Mrs. Freeda Crawford, and directors, Mrs. Kidder and Mrs. Crawford.

Devotions conducted by Mrs. Chapman, included scripture reading and poems entitled "God Lives," "A Friend" and "Who Rings My Bell?"

It was announced that a committee meeting of all farm women's clubs participating in the Christmas Ideas Tea will be held Oct. 20 at Oak Glen high school to complete arrangements. The tea will be held at the school Nov. 10-11.

Dinner was served at noon by the hostess assisted by Mrs. Eva Huff, Mrs. Forrest Campbell and Mrs. Eva Huff were guests.

112 Get Applications For Absentee Ballots

The County Election Board said today it has issued 112 applications for civilian absentee and disabled voters' ballots for the Nov. 8 general election.

Some of the applications already have been returned, leading to issuance of the ballots. The "early" ballots for civilians have been available since Monday. The board also has issued 139 so-called "soldier ballots" to armed forces personnel and their spouses and civilians residing temporarily outside the U.S.

The civilian absentee and disabled voters' ballots may be issued until 4 p. m. Nov. 3. They must be returned to the board's office by noon Nov. 4. Soldier ballot applications may be filed until noon Nov. 5 and the ballots may be returned as late as noon on election day.

Udall Slates Visit To Youngstown Area

WASHINGTON (AP) — A visit to the Youngstown, Ohio, area next Thursday is on a political tour announced Thursday that will take Secretary of the Interior Stewart L. Udall into several states.

Udall plans to speak at the dedication of the West Branch Reservoir built by the Army Engineers near Wayland, Ohio, and at a Democratic dinner at Youngstown.

Sets Record Earnings

TOLEDO, Ohio (AP) — Owens-Corning Fiberglass Corp. sold \$274.1 million worth of products (net) the first nine months of 1966, good for net earnings of \$16.8 million, the highest figures the company ever recorded in a comparable period, it was announced here.

The Medium Priced Car With European Flair

Arrival of the Mercury Cougar puts a new kind of motoring experience on the American road—a luxury sports car lithe in appearance and agile in performance. Exclusively a two-door hardtop, the Cougar assures comfort for both front and rear passengers with its 111-inch wheelbase and overall length of 190.3 inches. The long hood and the short deck emphasize the European flair of its styling. The Mercury Cougar is now on display for your inspection.

"The Man's Car" MERCURY '67

MERCURY BROUGHAM

Continuing its expansion in the upper end of the medium price field, Mercury for 1967 introduces two new top-of-the-line series, the Mercury Marquis and the Mercury Brougham, (above). The Marquis is a sporty two-door hardtop with formal, vinyl-covered roof. The Brougham features new Breezeway ventilation with lowerable back window in the four-door sedan, as pictured, and a four-door hardtop. Interiors are luxurious.

THE MERCURY CYCLONE GT.

Mercury-influenced styling touches and further expansion of its luxury options increased status for the Mercury intermediate-size cars for 1967. Above is the sportiest of the Mercury intermediates—the Mercury Cyclone GT, which features a fiberglass hood with twin simulated air scoops and a 390-cubic-inch V-8 engine. The Mercury intermediate-size cars, which again come in three distinct sizes, are now on display at Arb's.
